School Updates:

Wishing everyone a very Happy New Year!
We hope that families enjoyed a restful winter break.

We are back to school and focusing on Term 1 Report Cards that will be coming out in February. Educators will be reporting on the Ontario Curriculum including students' Learning Skills.

Regular attendance contributes to student success. Students who miss school or are late and/or picked up early on a regular basis are often missing critical lessons, messages and learning time. This can impact student achievement as well as creating gaps for future grades.

Please reach out if you need any assistance with regular attendance for your students.

Early Reading Screener

As we prepare to send home Term 1 Report Cards, we want to remind our SK, Grade 1 and Grade 2 families that the result of your child's Early Reading Screener will be listed on the upcoming report card. This result is the one that was communicated to you in November, at the time of Progress Reports; it is not a representation of where your child is, currently, but a reflection of where they began their journey at the start of this year. Please do not hesitate to contact your child's teacher, should you have any questions.

Winter Weather

Winter weather is upon us!

Severe Weather

School closures will be announced by 6:00 a.m. via the board website and local news outlets.

Cold Alerts

Students will be outside for recess, before and after school during cold weather. We follow The City of Hamilton Cold Weather Guidelines by keeping students inside if the temperatures dip below -15 or -20 with the wind chill.

Please ensure students are dressed for the weather with warm clothing, snow pants, hats and mittens.

Please contact the school office or your students' teacher if you are in need of winter attire. The school has a collection of items available.

Ice

Icy patches may remain on the blacktop. Although we salt often, slippery areas may exist. Please remind students to stay away from areas that may be sectioned off with pylons for safety.

PROTECT KIDS ONLINE

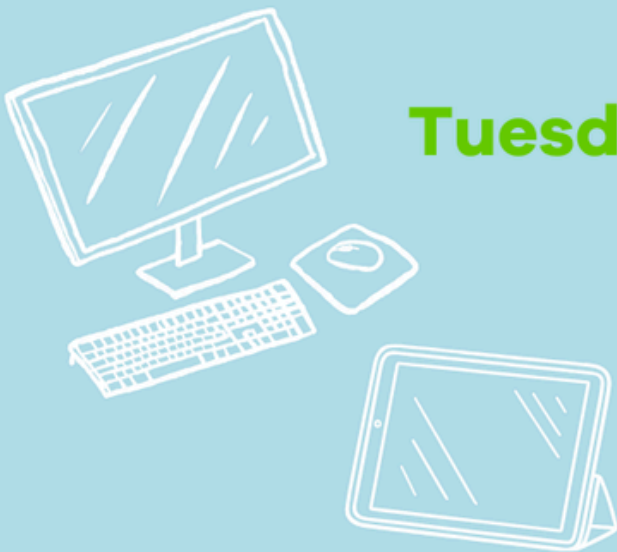

Parent & Caregiver Information Session

Hosted by Canadian Centre for Child Protection (C3P)

As children and youth spend more time online, families play an important role in supporting safe and healthy digital experiences.

Join us for a virtual parent webinar focused on Parenting in the Online World, where C3P will share:

- Current online safety trends affecting children and youth
- Insights from Cybertip.ca, Canada's national tipline
- Guidance on how to start meaningful, age-appropriate conversations about online safety
- Practical tools and trusted resources for families
