

TAPLEYTOWN SCHOOL COUNCIL WELCOMES YOU TO:

SOCIAL MEDIA & ONLINE SAFETY

(AN INFORMATION NIGHT FOR PARENTS AND CAREGIVERS)

APRIL 25, 2019
7:00 – 8:30pm
Tapleytown School

PRESENTED BY

DR. DEANNA BEHNKE-COOK PH.D

Dr. Behnke-Cook earned her Ph.D. from McMaster University, and completed a post-doctoral fellowship with the Faculty of Medicine, McMaster University. She is adjunct faculty at the University of Guelph, writes and implements youth risk behaviour interventions for Boards of Education in the Province of Ontario, and is a motivational and inspirational speaker and coach. The central message of her talk is that youth require information, guidance, and support to make their way safely through adolescence. While the use of social media and technology is considered virtually a "must" for many young people, it can and does have a significant impact on young people's lives, relationships and sense of self. This session will be interactive in nature and Dr. Behnke-Cook looks forward to addressing the questions and concerns of parents and other members of the Tapleytown community regarding the teen-life on-line. ALL ARE WELCOME!!

Complimentary childcare and refreshments will also be available.
