Principal's Report

Heritage Green – special Update - RECORDED

- further review of our proposal postponed to end of September

Funds are \$3000 in SC, \$3000 in Rural school, potentially 6k in additional Rural School

What / Do we spend the funds on? Or save the funds until next year?

Q&A

- Where locate gaga ball? - one primary, one intermediate
- Will additional rural school carryover if we don't spend it now? No spend by end of August
- How many Gaga ball were on the presented plan? 2
- So close to end of year, can we use now? Or do we need to wait until next year?
 - We can get rolling by end of August for this year
- 2 gaga balls won't cost 12k – what else can we do off of our proposal? Basketball nets
- How much are gaga ball? \$3600 per gaga ball, if we place on pavement we would have additional cost
- If we get rural school additional, can we leave SC money to next year? Absolutely
- Where do we locate? On pavement or on grass? Grass may be ideal, as it would compress down
- Can we temporarily locate to see what works? Yes
- What are your recommendations? Maybe proceed with rural school + rural school additional
- Do we have to add our rural school money to the additional rural school in order to get it? Yes.
 - i.e. if we get an additional 3k, do we need to include our existing 3k?
 - if we get an additional 6k (wouldn't that be nice!) would we still need to include our 3k?
- if over 10k accumulative, do we have additional "hoops"? yes
- what is approved? We have the quotes for gaga ball and basketball only
- can we mix basketball and gaga ball? Yes
- if we do both – what would it cost?
 - 2 gaga ball (on grass/no base) \$7200 + hst
 - \$10385 before taxes for 2 gaga ball and 3 basketball net
- Do we spend all money, council savings included?

One week period before voting
