## Your New Elementary School *Nash/Upper Stoney Creek*

HWDSB continues to plan for the new Kindergarten to Grade 8 elementary school to be built at Green Mountain Road West and First Road West. The new school will replace Tapleystown Elementary School.

We are committed to creating learning environments that are safe and conducive to healthy development and learning for our current students and future generations.

As planning continues, we will provide updates on the [New School](#) page of the Tapleystown school website. We want communities to be aware of timelines and next steps.

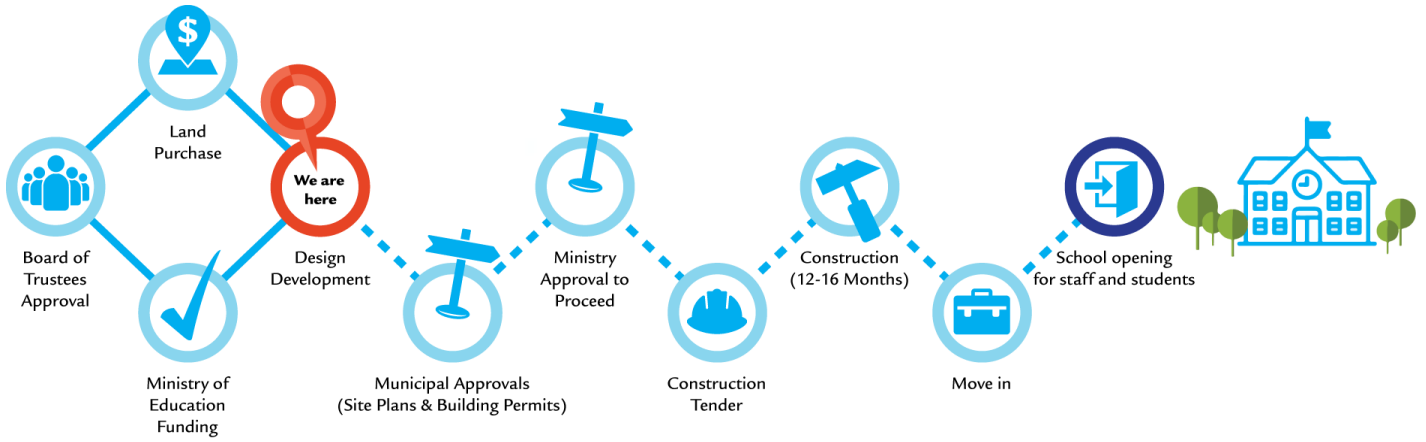

We look forward to sharing future details as they are confirmed. Please feel free to contact your [Superintendent of Student Achievement](#) or [Ward Trustee](#) if you have any questions.
