The purpose of the school council is to help improve student achievement and to enhance the accountability of the education system to parents. School Boards and principals are responsible for considering the recommendations made by each school council and for advising the council(s) of the actions taken in response to the recommendations.

These meetings are open to the public to encourage input from parents and other members of the school community. Minutes of meetings held and financial records are available for public inspection on our school website. Everyone is welcome to any or all of the meetings! Our first meeting will be in September 2025, check our school website for updates on the date. We hope to see you out next year!

The school council held 6 meetings this year. Council worked on numerous activities during the year including spirit wear, hot chocolate day, Primary movie night, Team Up to Clean Up, and graduation hoodies! We also hosted our Open House with a Circus Theme! How fun were those games! And the silent auction had amazing prizes. The food was amazing, and there was even face painting! These funds help provide classroom supplies, Kinder support, gym equipment, soccer support, extracurricular funding, and graduation help. Another fantastic year!
