Dear Templemead Community,

After seven wonderful years as Principal of Templemead Elementary School, I am writing to share that I will be retiring at the end of this school year.

Working at Templemead has been one of the most rewarding experiences of my life. It has been an honour and a joy to serve such a vibrant, caring, and resilient school community. Over the years, I've had the privilege of watching students grow, supporting staff in their incredible work, and connecting with families whose commitment to their children's education is inspiring.

This role has taught me more than I could have imagined - about leadership, learning, and above all, about myself. Most importantly, I have learned that kindness is what prevails over everything. In every hallway smile, every encouraging word, and every act of support between staff, students, and families, I've seen how powerful compassion can be in shaping a school culture.

To the students: thank you for your curiosity, energy, and endless potential. To the staff: your dedication has been a daily source of motivation. And to the families: thank you for trusting me to be part of your children's educational journey.

As I step into this next chapter, I do so with a full heart and deep gratitude. Templemead will always hold a special place in my life.

With sincere thanks,

Mr. Williamson, Principal
