

## Holiday Gift Drive!

Tiffany Hills School is helping to support another school in Hamilton to ensure that all their families have a wonderful and joyful holiday season. Our Student Council has organized a holiday gift drive and will be collecting new gift items for families to give as part of this generous out-reach program. School Council parents have offered to purchase the baskets for the gift drive. Together, all of us can play a part in making this holiday season a happy and memorable time for families in need.

**Thank you!**

Below, you will find details of this gift-giving initiative:
