

## ANCASTER COMMUNITY SERVICES

December 10, 2021

Tiffany Hills School  
255 Raymond Road  
Ancaster, ON

Dear Ashley, Tiffany Hills School Staff, Teachers, Students and Families,

WOW! Thank you so much for holding a food drive within the classrooms at Tiffany Hills School. Your generous contribution totaled 2,895 lbs of non-perishable food towards Ancaster Community Services (ACS) Christmas Assistance Program. Truly Amazing. ACS is providing Christmas Food Hampers to 105 families this Holiday season, we appreciate your support.

Donations to ACS continue to be used to provide vital services and programs to the residents of Ancaster and surrounding area. ACS has proudly been providing supportive services to the community of Ancaster since 1969. The programs we provide are: **Meals on Wheels, Frozen Meals, Assisted Volunteer Driving, new Shopping for Seniors, Emergency Food Support, Christmas Outreach and Youth Empowerment.**

Ancaster Community Services continues to remain viable within our evolving community and your donation helps us to achieve our mission to support those in need in our community. The sustainability of our non-profit charitable organization depends greatly on the support and generosity of the community it serves. If you would like to continue to support the work of ACS, please visit our website, [www.ancastercommunityservices.ca](http://www.ancastercommunityservices.ca), to donate and learn more about our programs.

With sincere thanks,

A handwritten signature in cursive script that reads "Lynne E Morris".

Lynne Morris
