

## *From the Principal's Desk*

June had arrived in full swing with the remaining days left to close the 2022-2023 school year!

It has been an exciting final school year month with all students having the opportunity to participate in a year-end trip to celebrate the end of this school year. A big thank you to our parents who offered to volunteer their time to help support the supervision of our trips. Parents/Caregivers providing the school with a valid vulnerable sector within 3 school years & completing the offence declaration at the office enables parents to volunteer or support the school by supervising at extracurricular events. For more information on this process, you are welcome to contact our school office for the upcoming 2023-24 School Year.

This year our students had the opportunity to demonstrate their athleticism, skills and creativity at various events. Congratulations to our student-athletes who tried out, who made the teams and to all our students who helped out with fundraising, announcements, Equity Club, Checkers Club, Song Club, Bank, and so many more, too many to list.

As we prepare for the end of the school year, our graduating class of Grade 8's will be celebrating the end to their elementary school years at Tiffany Hills at our Commencement Ceremony this Thursday, June 22<sup>nd</sup> at Ancaster High School and a celebration at Splitsville. We thank our Commencement Committee for supporting the preparation of this special event for our graduating class. We wish our Grade 8 students all the best as they look forward to Post Secondary school in the fall.

As we prepare to communicate student achievement for term 2 through the Report Card, students will be sent home with reports on Tues. June 27<sup>th</sup>. Parents will have an opportunity to reflect on student progress and next steps by completing a feedback form with their child that is to be returned to the school on the last day which is Wednesday, June 28<sup>th</sup>. **Thursday, June 29<sup>th</sup> is a PA Day for our students to begin their summer holidays for the year.**

We would like to take this opportunity to thank our School Council for their ongoing support to enhance school life for our students at Tiffany Hills. School Council has organized our pizza lunch days for students, supported with funding to provide additional programming in the areas of Literacy, Numeracy & Well Being across the grades and has led and coordinated fundraisers to enhance the use of technology & the classroom environment to support student learning. Thanks to our fundraising success, we have also been able to purchase many resources in Literacy, Math and Science, Phys-ed equipment, and additional technology. We are also looking into a new projector system for our gymnasium. This could not have been possible without the support of our parent community who contributed to our fundraising success! If you are a Parent/Caregiver that has an interest in joining Tiffany Hills School Council information will be sent home to all families in September outlining the process and attending our first meeting. Stay tuned for the fall for further information as we encourage and welcome parent engagement at Tiffany Hills School!

On behalf of the Tiffany Hills School team, we would also like to take this opportunity to thank our departing staff members for their dedication to the Tiffany Hills Community: Mrs. Kershaw, Mrs. Money, Mrs. LeDonne, and Mrs. Quereshi. Thank you for your dedication and commitment to our staff, students and community. We wish our staff moving on all the best in their future endeavours. Also, a big thank you to our long-term occasional educators; **Mrs. Purba, Mrs. Aulakh, Mr. Gould**, for their time and commitment to Tiffany Hills. We also will be saying farewell to **Ms. McQueen and Mrs. Lima**, our occasional Education Assistants for their dedication to our students.

As we come to the end of another school year, we recognize and reflect upon the success and achievement that our staff & students have accomplished together. As a collaborative team, we also value the importance of building strong relationships with home and school and we appreciate the support that we have received from our Tiffany Hills families. Have a wonderful & safe summer holiday!

Sincerely, The Tiffany Hills School Team
