### School/Parent Council

Minutes from our January meeting have been posted on our website. **Everyone is welcome to join us at our meetings. We look forward to meeting new people and hearing new ideas!**

#### Meeting Dates:

- March 21, 2024
- May 23, 2024

**School Start Time:  
8:45**

Please drop your grade 1-8 child off at the back playground. We ask that only late arrivals check-in at the office after 9am.

### Parking Concerns

Parking passes have been issued to our staff. In the interest of safety for all, the parking lot is not to be used for the drop-off and pick up of students. Hamilton By-Law Enforcement Officers have informed us they will be checking in to be sure cars are not blocking fire lanes or other cars in the lot. They will also be looking for cars parked in the staff lot without a pass.

Thank you!

## Why is Kindergarten Important?

- Early learning experiences are crucial to the future well-being of children.
- Early interactions affect the way connections are made in the brain.
- A solid foundation for reading and math must be built.
- Children build skills through developmentally appropriate play-based experiences.
