

Summer School Registration

The Summer School registration portal is now open!

What does summer school look like this year?

- on-line (no face-to-face classes)
 - via eLearning course on the HUB
- asynchronous instruction (no daily MS Teams meetings)
 - full credit courses consist of 20 lessons
 - upgrade courses, the Civics course, and the Careers course, consist of 10 lessons
 - the teacher will respond to student e-mails throughout the course
 - once a week, the teacher will have scheduled office hours where students will be able to talk with the teacher in real time (if desired)

Please note:

- families/students self register (registration link is listed below)
- student can only take one full credit summer school course
 - 5 months of course work is compacted into 18 days (~6 hours/day)
 - note: students can register for both the Civics and Careers half credit courses
- any questions or concerns about course selection, prerequisites, or pathways, should be directed to your child's Guidance Counsellor (contact information is listed below)
- once your registration has been submitted, you'll receive a copy of your responses
- course confirmations and instructions will be sent between July 1st - 4th by email
- in the event that not enough students register for your primary course, you will receive an email indicating that your course has been cancelled and that you were enrolled in your alternate course (assuming it had enough students to run)
- students are limited to submitting one registration application (if you have made an error, please contact your Guidance Counsellor for assistance)
