August 21, 2020

Dear Parents, Guardians, Caregivers and Students,

I am writing today to give you an update on Westdale's play field. There are two types of grass used in the turf: Bluegrass and perennial Ryegrass. Unfortunately, this summer the Bluegrass has experienced disease that has led to a severe deterioration of the turf and a dead looking field. We are working with our field maintenance service provider to determine the cause and the process needed to re-establish the grass.

As soon as we have a further update, we will communicate the plan for the field to the school community.

If you have any questions, please contact me at 905-527-5092 x2673 or Principal Josh Connor at the school at 905-522-1387.

Sincerely,

Susan Dunlop  
Superintendent of Student Achievement
