+ 2 other 4U/4M courses

- Where? University website OR ontariouniversitiesinfo.ca

How do colleges and universities get my marks?

- All Grade 11 and 12 marks are sent electronically by Westdale in November, February, April and July. Check your OCAS/OUAC account online after every reporting period and let your counsellor know about any errors – students will get an email alert when their profile is updated
- You must provide information about ALL institutions where you have registered in 1 or more high school courses. Institutions may include but are not limited to:
 - regular day schools
 - night schools
 - private schools
 - summer school
 - virtual schools
 - community college/CEGEP
 - universities
 - junior college
 - graduate schools
 - work taken on letter of permission
- You DO NOT need to include institutions where your home school registered you for courses (e.g. board virtual school, dual credit, SHSM, consortium eLearning)
- It is YOUR responsibility to ensure that Westdale Guidance is aware that you are taking that course so it may be added to your historical grades

Advice from one post-secondary representative:

- 1) Check to be sure that programs and/or schools align (e.g. make sure student has more than one option for first choice of program).
- 2) Consider applying to one school outside of the GTHA.
- 3) As best as possible, apply to one program where you are very confident you will receive an offer of admission.
- 4) Consider applying by December 1; add more programs before the January 15 application deadline as necessary.

- Check each university website for deadlines and application fees as they vary from university to university.
- Some schools outside of Ontario have a reciprocal agreement with OUAC to receive marks. Many do not. For schools that do not, students will either need to mail an official transcript or email an electronic transcript. Students need to know the process for each school they are applying to.
- U.S. universities may require SAT or ACT scores, and most use The Common Application.

OUAC Reciprocal Agreements

- OUAC has agreements with the following Canadian schools:
 - Acadia University
 - Bishop's University
 - The University of British Columbia
 - University of Calgary
 - Concordia University
 - Dalhousie University
 - McGill University
 - Saint Mary's University
 - Simon Fraser University
 - The University of Victoria

OUAC Reciprocal Agreements

- If you apply to any school listed on the previous slide, you can authorize that school to request your academic information from OUAC
- There will be space on each school's application for you to enter your OUAC Reference Number
- Your Reference Number will be 2024-XXXXXX and it is generated AFTER you submit your OUAC application
- Some schools ask for your Reference Number in the format above. Other schools want it in the format 2024XXXXXX0 (no dash and an 11th number which is ALWAYS zero)
- For this reason, we always recommend completing the OUAC application first
