health and
physical
education,
the arts,
business
studies

GROUP 3

science (Grade 11
or 12),
technological
education,
computer
studies,

The diagram consists of three black rectangular boxes arranged horizontally, each containing a group of compulsory credits. Below these boxes is a green rounded rectangular box. Three yellow arrows point upwards from the green box to the bottom of each black box, indicating that the green box's content is a subset or alternative for each of the three groups.

Math Pathways

English: Understanding Contemporary First Nations, Métis, and Inuit Voices, Grade 11

**NBE3 can be used to meet the Grade 11 English requirements*

Identities, relationships, and self-determination, sovereignty, and self-governance are key concepts in First Nations, Métis, and Inuit cultures.

It is critically important that students learn to appreciate the responsibility that creators on Turtle Island have to First Nations, Métis, and Inuit cultures, world views, and diversity through authentic and accurate representations of Indigenous lives

This course will be taught in consultation with Indigenous community partners from Six Nations of the Grand River and Mississaugas of the Credit, our territory's Host Nations.

Fill your Education Bundle with critical knowledge about treaty partner and Indigenous relationships, in the spirit of meaningful truth and reconciliation.

SPECIALIST HIGH SKILLS MAJORS

Pursuing a SHSM enables students to ...

1. Customize their secondary school education to suit interests and talents;
2. Develop specialized knowledge and skills that are valued by the sector or post secondary education institutions;
3. Earn credits that are recognized by the sector and post-secondary education institution;
4. Gain sector-specific and career-relevant certification and training;
5. Identify, explore, and refine career goals and make informed decisions about their post-secondary destination;
6. Remain flexible, with the option to shift between pathways should their goals and plans change;

What do I need to do to achieve SHSM?

- ✓ **FOUR Major Credits (at least one Gr. 11 and one Gr. 12)**
- ✓ **ONE Additional Credit as determined by SHSM**
- ✓ **Grade 12 English**
- ✓ **Some SHSM require Grade 12 math – check with Guidance or SHSM teacher**
- ✓ **Certifications – organized by SHSM teacher**
- ✓ **Reach-ahead experience**
- ✓ **Experiential learning**
- ✓ **TWO credits of co-op. Your placement must be related to your SHSM sector**

SHSM at Westdale

Arts and Culture

(Ms. Vivian/Ms. Rikic-McCarthy, Mr. Iachelli, Mr. Abell)

Construction

(Mr. Kipp)

Health and Wellness

(Ms. Taylor)

Information and Communication Technology

(Mr. Wilson)

You can also speak with your Guidance counsellor or Co-op Teacher for more information

How To Get Your SHSM Started

Complete the SHSM Interest form located in the Guidance Hub Course

Select at least two courses in Grade 11 that contribute to you earning your SHSM;

Plan ahead to determine when you will complete co-op requirement

See your SHSM lead or Guidance counsellor with any questions

ELEARNING

- Courses ending in “eL” e.g. ENG3U1eL
- Ensure your independent work skills are stellar
- Lessons are posted for you to read / view... you do them and submit
- Some options that are not available at Westdale
- eLearning option sheet available on Westdale Guidance Hub course and on Student Services section of Westdale Website

“Add Alternate” Course

Please pick a back-up
optional course in
case one of the
courses you would
like is cancelled or
conflicted out of
your schedule

AMR – Repertoire Course outside the school day

If you would like
AMR3M1, please
select this course as
an “Extra Credit” at
the bottom of your
course selections

**Repertoire will run
outside the school
day.**

**You must also take
AMU3M in school.**

Summer School

If you know NOW that you are going to take a course in the summer, you can register for the course in Xello before March 1 using the Extra Credit function at the bottom of your course selections

The Summer School Option Sheet is posted in the Guidance course in the Hub and on the Westdale Website. Courses will have “SS24” at the end of the course code (e.g. “SPH3U1SS24”)

There will be another process to sign up for summer school beginning in April

Next Steps:

- Research pathway options and course descriptions
- Work together with your family to explore choices and complete options
- Contact your Guidance counsellor if your choices require an override in Xello
- Submit your course selections in Xello by March 1
- Family approves course selections through Parent Portal after March Break
- Questions? Book an appointment with your Guidance counsellor through the Guidance Hub course
