Westmount Secondary School

Home of the Wildcats!

September 3, 2019

Dear Parents/Guardians:

We are happy to introduce ourselves as your child's Learning Resource Team. We will be introducing ourselves to your child and describing our role as one of an advocate for them. They are encouraged to access the Learning Commons (LC) as a place where they may receive academic or emotional support, simply make use of the available technology, or use the LC as an alternate quiet setting in which to complete work.

Over the next few weeks, we will be working with your child to develop their Individual Education Plan (IEP). A copy will be sent home for your feedback in October.

The Learning Resource Team invites you to attend an information session specifically for parents or guardians of children with Individual Education Plans. This will take place on **Tuesday, September 17 from 6:15 pm until 7:15 pm in the Learning Commons** at Westmount Secondary School. We encourage you to come out and meet the Learning Resource Team and learn how students are supported at Westmount.

If you have any questions or concerns about your child's progress or the creation of their IEP, please feel free to contact us by email or by phone.

We look forward to working with you to help your child achieve their best this year.

Sincerely,

Denise Hagger
