September 2020

Dear Wildcat Families,

As we get closer to our onsite start up, teachers will be inviting students to a virtual welcome orientation to review health and safety protocols for Westmount as well as share course information. The virtual orientation sessions will take place during period 1 between 8:40-11:10 am. Teachers will also be connecting online throughout the day with their period 2, period 3 and 4 as well as their period 5 classes in the afternoon.

Please ask students to check their board emails and the HUB for an invitation to these orientation/welcome sessions. These sessions will be occurring Thursday, September 10 and/or Friday, September 11th.

A power point presentation will also be posted for students to review should they not be able to log into MS Teams or the HUB. This is an opportunity to connect with staff before school start up. No formal lessons will take place as our official start up will be Monday, September 14, 2020 for all students onsite and/or remotely.

Thank you for your ongoing support. We look forward to connecting with you soon.
