Help Shape HWDSB's Strategic Directions Through the Co-Design Workshop

Dear Westmount Families:

It is time for HWDSB to set new Strategic Directions that will identify future values, priorities, and goals. Strategic planning is goal setting and goal mapping for a school board. A strategic plan must identify goals that are consistent with the organization's overall vision. Planning a new path forward starts with you!

We are looking for 20 community members to join a Co-Design Workshop to help shape HWDSB's new Strategic Directions. For more information about the selection process, application form, and a list of FAQs, please click the following link: <https://www.hwdsb.on.ca/blog/help-shape-hwdsbs-strategic-directions/>.

To access the application form, please click the following link: <https://s-ca.chkmkt.com/?e=321559&h=071F933080EC070&l=en>. Community members of all ages, identities, and backgrounds are encouraged to apply. No previous experience is required.

The last day to submit an application is Wednesday, April 26.

Thank you for considering this opportunity.
