Dear Families,

This is a letter to inform you that we had a brief evacuation at Westview Elementary School today.

A small fire was detected in one of the washrooms and the fire alarm was pulled. This triggered an evacuation of the building. Hamilton Fire Department responded quickly.

Students and staff evacuated to Westmount Secondary School while crews attended to the fire. They cleared the smoke using a ventilation fan and the washroom remained closed to students for the remainder of the day.

I would like to thank staff and students for their prompt evacuation and for following our safety protocols.

If you have any questions, please contact the school at 905.388.1502.

Thank you for your understanding.

Sincerely,

Joanna Crapsi
Principal
