Dear Parents/Caregivers,

Westview is pleased to mark the unforgettable year for our grade 8 graduates by offering a variety of grad wear! Please see the attached order form for what is being offered. Orders will be placed by parents directly with JML, please note that hoodies are offered both "with" the student's name on the back, or "without" the student's name on the back. Be sure to make the correct selection based on your preference.

Traditionally students have included the graduating class signatures on the back. This year, to ensure safety and in keeping with the covid protocols, our provider will use a generic signature font to include the first name and last initial of all graduates, unless we are advised by the parent that you do not wish your student's name included.

Order Deadline: Wednesday, March 17th

Payment Options: payment is made directly to JML Uniforms by either emailing them the attached form with the payment information, or phoning them directly with payment information. The school will not be accepting any cash or cheques. If you need assistance making payment please contact the office. We know that this has been a challenging year for families. If the purchase of grad wear presents a financial challenge, please contact your child's teacher, or Ms. Crapsi to discuss options for support. We want every student to have access to grad wear.
