Principal's Message

It's hard to believe that we are already into March. Although March break has been rescheduled to April, we are thrilled that students are back at Westwood. Although students have returned to in-school learning, we continue to follow board enhanced safety protocols. We encourage families to take the daily covid screen before sending students to school and to visit and review HWDSB COVID-19 updates <https://www.hwdsb.on.ca/about/covid19/>

We have selected March 23rd for our School Photos to take place in our gymnasium. We will be following the board's protocol for photographers in schools to ensure proper sanitization and physical distancing requirements are met. Individual student pictures will be taken however, we are not able to engage in class group photos. As an alternative, school photographers may be able to produce class composites.

School Photo Day

- March 23rd, 2021

March Break in April

- April 12th - 16th, 2021 - **NO SCHOOL**

ELEMENTARY TRANSITIONS

The second transition period for elementary students moving between in-person and the elementary remote learning program was completed last week.

A third and final transition period is being planned for early May. Like the previous two transition periods, the school board will communicate with families ahead of this date.

THANK YOU TO OUR NUTRITION PROGRAM VOLUNTEERS!

We are very thankful that our nutrition program has been able to continue this year and we appreciate our nutrition program volunteers, Mrs. Frith and Mrs. Bainbridge for their daily commitment to provide nutritious snacks for ALL students at Westwood on a daily basis!

NO PARKING OR STOPPING ON ROLSTON DR.

Please remember that there is no parking or stopping along Rolston Drive. This leads to congestion and unsafe conditions for students when crossing the street.
