After School Program Flyer (3).pdf;

Hi there,

I hope you're doing well. My name is Jay Gaunt, and I coordinate the Westmount Recreation Centre After School Program. We currently have availability for students of Westwood, and we would love to extend this opportunity to families for the new year.

Our FREE program offers a safe, engaging, and supportive environment for children in **Grade 1 and up**, with daily activities that include recreation, crafts, homework support, and more. We aim to help families by providing high-quality after-school care from dismissal until 5:00 PM.

I've attached a flyer with more details. Would it be possible to share this with parents and guardians of students in Grade 1 and above—either through your school newsletter, classroom communication, or email distribution list? If parents are interested, they can stop by the recreation centre (35 Lynbrook Drive) and fill out our forms or they can email me (jayanne.gaunt@hamilton.ca) with any questions.

Your support in helping families access reliable after-school programming is greatly appreciated. If you have any questions, please feel free to reach out.

Thank you so much for your time!

Jay
