Dear Parents and Guardians of W.H. Ballard students,

It's my pleasure to welcome **Jennifer Robertson-Heath** to W.H. Ballard Elementary School as your principal effective today.

Mrs. Robertson-Heath has had a variety of educational experiences – teaching and leading both locally and nationally. Most recently, Mrs. Robertson-Heath was the principal of Franklin Road Elementary School for six years. During this time, Ms. Robertson-Heath focused on school improvement, positive school climate and safe schools initiatives.

Mrs. Robertson-Heath will assume the role as principal and will work alongside Vice-Principal Imbrogno to support students and student learning. I am thrilled to welcome Mrs. Robertson-Heath as I know you will enjoy getting to know her. She is excited to begin at W.H. Ballard today.

Thank you for your understanding and co-operation through this transition period.

Sincerely,
