Remember you can recycle **Juice Boxes**. Please remember to take out the straw and empty the juice box.
You can also recycle **yogurt containers**. Please remember to rinse them out first.

A close-up photograph of a dandelion seed head. The seeds are fine and white, radiating from a central point. A bright, circular light source is positioned directly behind the center of the seed head, creating a strong backlighting effect that makes the seeds appear to glow. The background is a soft, out-of-focus landscape with green grass and distant hills under a clear sky.
