April 22, 2022

Dear Families,

We're very excited to announce that School Council has chosen to be a part of the Plantables Fundraising Program for 2022.

We're aiming to raise \$500.00 to fund things such as revamping the outdoor SOAR space, the Kindergarten Area, add new Gym Equipment and Club supplies. Every box of plants you buy helps us get closer to that goal. (We get 10% of the total of every order you place.)

What Is Plantables?

Plantables is an exciting new startup (est. 1998) based in Forest, Ontario that grow healthy, hearty and happy fruit and vegetable plants. The best part is, they ship them DIRECTLY to your door; when you want them!

That means that no matter how busy you are, how unsuccessful (or successful!) you've been at growing plants before, you'll be able to grow brag-worthy fruits and veggies!

All you have to do is pick what plants you want to grow, choose when you want them delivered and wait for your box of garden-ready plants to arrive on your doorstep. Shipping weeks are available from April- June.

How does the program work?

All you have to do is help spread the plant love! Tell everybody you know to go to plantables.ca. and make sure they enter the code **winonawildcats** at the checkout or follow our direct link <https://plantables.ca/for/winonawildcats>

We're really excited to be launching a fundraiser that involves growing healthy fruits and veggies and spending time as a family! We can't wait to see how much we all can raise together.

Thank you for all of your support,
The Winona School Council
