The School Council is a volunteer organization of parents that supports the Winona Elementary School. We do this by providing opportunities to get involved in your children's education, advocate for the needs of all students, and build relationships with other parents and educators.

There are many ways to get involved with the Winona Parent Council. You can volunteer to serve on one of our committees, attend our meetings, or simply lend a helping hand at one of our events. We welcome all parents, regardless of their level of experience or expertise. We believe that parents are essential partners in their children's education. By working together, we can make a difference in the lives of all Winona students.

Thank you for your interest in the Winona Parent Council. We look forward to wishing the best for our Winona Elementary students.

Sincerely,

The Winona Parent Council

P.S. Don't forget to check out our upcoming events!
We have a lot of exciting things planned this year.
