6	Pet Lovers	
7	Coffee, Tea and Snack Basket	
8		
		Include Description and Value (form below)

On May 9th, during the Open House event, each grade will showcase a themed gift basket filled with gifts and gift certificates generously donated by our community. These baskets will be combined to create an amazing gift basket that attendees can bid on and potentially win at the silent auction during the event. If you or someone you know runs a local small business, this is an excellent opportunity to connect with our community by contributing activities, services, or gift cards. The proceeds from the auction will directly support student growth at Winona Elementary School, benefiting programs like the "Imaginarium" maker-space resources and student health and well-being initiatives.

Send donations with students to their classroom or drop off at the front office (cut and include this form)
Send question to Winona School Council winonaSC@hwdsb.on.ca

Donate items, experiences or gift certificates for any of these basket themes!

Thank you for your generous support!
