Of **16,309** students enrolled in our secondary schools as of Mar. 31, 2013, 1,070 students or 6.6% of total secondary head count access Tier 3 programs. Of these, 250 students or 1.5% of the total secondary head count choose to leave their home school to attend a Tier 3 program.

\* Calculations do not include students in French Immersion or ESL/ELD, because these are considered programs for language of instruction.

\*\*The Performing Arts program at Glendale is undergoing changes to an auditioned program, but these are figures from the current program.
