

East Hamilton Boundary Review

At the June 16, 2014 Board meeting, Trustees approved a recommendation for the East Hamilton City 1 accommodation review to close Woodward and Roxborough Park elementary schools in June, 2015.

This approval also required a Post-Accommodation Review Committee Boundary Review to consider changes between A.M. Cunningham, Queen Mary, Memorial City, Viscount Montgomery and W.H. Ballard elementary schools.

A Boundary Advisory Panel, made up of school parent council members, principals, Trustees and HWDSB Staff, is holding a community consultation for families affected by the boundary review. The consultation will provide families with information, answer questions, and receive input regarding the boundary review.

The meeting will be held on:

Wednesday, December 17, 2014
