

Have Your Say!

You play an important part in creating great schools for the future. We have an opportunity to revitalize our programs, renew our facilities and maximize our partnerships. To do this, ***we need your help*** in creating great schools for future generations of Hamilton students.

We know you have questions or want to provide input on what you would like our future schools to look like.

You're invited to an upcoming public meeting where you can:

- Meet the AR committee
- Review the process
- Discuss options/recommendations for consideration
- Provide your input
