

## HWDSB French Immersion Boundary Review

### Public Meeting for East Hamilton and Lower Stoney Creek Families

At the June 6, 2016, Board meeting, Trustees approved moving the French Immersion programs at Glen Echo and Glen Brae, as part of the East Hamilton City 2 and Lower Stoney Creek Accommodation Reviews.

**Your voice is needed to let us know what school(s) the program should be moved to in an East Hamilton and Lower Stoney Creek location for Grades 1 to 8.** Whichever schools are chosen, this will change the current French Immersion boundaries.

Your voice is important so that HWDSB Trustees know how the final recommendation will affect students and families.

**Please join us on:**
