September 4, 2018

Dear Parents, Guardians and Caregivers,

As you know, in June 2014 HWDSB Trustees approved the closure of Greenville and Spencer Valley and the construction of a new school on the Greenville school site. This was done to ensure efficient use of space and resources.

This new elementary school will be constructed on the current Greenville site at 625 Harvest Road. This school will serve students at Greenville, Spencer Valley and grades 6-8 students living in the Millgrove catchment area.

The school is part of a joint community project with the City of Hamilton, the Hamilton Public Library and the Ontario government. The school will be designed to accommodate 381 students in an approximately 41,000 square foot elementary school.

We received Site Plan approval from the City of Hamilton last school year. We then put the project out to tender to secure a contractor to construct the school, the Community Centre, Library, and Daycare.

The tender process closed early this summer but was significantly over budget. HWDSB Staff are exploring options with our community partners and Trustees will provide direction by the end of September. We will provide a further update to the community at that time.

I want to thank all students and families for their continued patience and support. We are very excited about the upcoming new school and in the meantime are looking forward to another great year at Millgrove.

If you have any questions, please do not hesitate to contact the school at 905.689.4544.

Sincerely,

Denise Minardi
Principal
