

Accommodation Strategy Schedule

The accommodation strategy schedule recaps completed accommodation strategies from 2011/12 to 2019/20 and outlines the remaining three planning areas yet to be reviewed. These planning areas include East Mountain, West Mountain and Dundas.

The Accommodation Strategy Schedule is broken down by planning areas. Planning areas allow for comprehensive and in-depth analysis of each area of the city. Analysis of accommodation/utilization issues and facility needs are done on a smaller scale to determine the right solution for each planning area. The schedule outlines the following:

- Accommodation Reviews
- Boundary Reviews
- Grade Reorganizations
- Anticipated Land Purchases
- Opening/closing/sale of schools
- Holding Schools

As of April 2019, HWDSB has completed 3 secondary and 10 elementary accommodation reviews

Accommodation Reviews

The purpose an accommodation review is to effectively manage capital assets in response to changing demographics and program needs. An aspect of school board capital and accommodation planning is reviewing schools that have a variety accommodation issues through accommodation reviews. Accommodation reviews are completed with the goals of fostering student achievement, equitable access to schools/programming and school board financial sustainability.

The schedule indicates no accommodation reviews for the 2019/2020 as per Ministry of Education direction. All future accommodation reviews have not been given a date and are identified as remaining. In April 2018, the Ministry of Education (MOE) released the revised Pupil Accommodation Guidelines (PARG). The next steps identified by the MOE to implement the Final Revised PARG was to release additional supporting documentation and templates. The supporting documents include the initial staff report template, the economic impact assessment template, community partner template and e-signature guidance. As indicated by the MOE, while these supports are being developed there will continue to be no new pupil accommodation reviews. Initially, templates were to be released in the fall of 2018 but have yet to be released.

Accommodation Reviews follow the HWDSB Boundary Review [Policy](#) and [Procedure](#). The current policy and procedure require updating to reflect the updated Ministry of Education Pupil Accommodation Review Guidelines. Once the templates have been released, HWDSB staff will revise the current policy to adhere to the new guidelines.

Boundary Reviews

The purpose of a boundary review is to amend existing boundaries or create boundaries for new schools. Boundary reviews are often a solution when addressing school accommodation pressures. The primary goals of boundary reviews is to create equitable access to schools/programming and create long-term sustainable accommodation for students.

Boundary Reviews follow the HWDSB Boundary Review [Policy](#) and [Procedure](#).

Identified boundary review for 2019/2020 school year:

- Secondary boundary review including Nora Frances Henderson, Sherwood and Sir Allan MacNab.

Due to the elementary and secondary accommodation reviews completed in this area several elementary and secondary school boundaries have been modified. The modifications created misalignments between elementary and secondary attendance boundaries. Three elementary schools graduate into multiple secondary schools. Currently, Pauline Johnson and Ridgemount students graduate into both Nora Frances Henderson and Sir Allan MacNab; Franklin Road students graduate into both Sherwood and Sir Allan MacNab. Completing a boundary review provides the opportunity to revisit this issue and determine if the secondary boundaries are to be aligned with the elementary boundaries. The new Nora Frances Henderson facility is scheduled for student occupation in September 2020, hence a boundary review should be completed in the fall of 2019 in advance of student course selections and subsequent school staffing.
