Dear Parents, Guardians and Caregivers,

As you may know, Trustees on Monday, May 13 received one submission from the School Naming Advisory Committee.

The school naming process was initiated as part of the Lower Stoney Creek Accommodation Review, which saw the Board of Trustees approve the closure of Collegiate Avenue, Eastdale, Green Acres, Memorial (SC), Mountain View and R.L. Hyslop, pending Ministry of Education funding for three new JK-8 elementary schools on the Collegiate, Eastdale and Memorial (SC) sites.

HWDSB received 11.5 million dollars to build a new K-8 elementary school on the current Eastdale School site. The start of construction moved Eastdale students to Mountain View School while the new school on the Eastdale site is being built. Once the new school is built, all students at Mountain View will move to the new school being built on the Eastdale site.

HWDSB surveyed the public for possible names of the new school and received 283 responses with over 50 suggested names.

Through the submission by the School Naming Advisory Committee, Trustees approved to retain **Eastdale Elementary School** as the name for the new school.

Sincerely,

Darrin Griffiths
Principal
