

# Let's talk about bullying!

Tell us how schools can address the challenge of **bullying**.

Your voice can make a **difference**.

*"The panel's work will provide authentic consultation and recommendations to support our students and staff to feel safe, supported and accepted. Let's Talk About Bullying is an opportunity to listen and learn from our students, staff, community and people with a unique voice in the bullying conversation."*

– Manny Figueiredo,  
Director of Education
