

June 18, 2020

Dear Resident,

**RE: Walkway that connects to Taylor Road**

As you know, Hamilton-Wentworth District School Board is building a new Kindergarten to Grade 8 elementary school for 495 students, on the current CH Bray Elementary School site. We are sending this letter to make you aware of work taking place next week on the walkway that connects to Taylor Road.

As part of the work to construct the new elementary school, site connections are needed along the walkway. This work requires the walkway connecting to Taylor Road to be closed from June 24 to July 3, 2020.

As you are a neighbour of this walkway, we wanted you to be aware of the closure of the walkway, so that you can make alternate arrangements if you normally use this path.

For more information about the new Spring Valley Elementary School on the current CH Bray site, please visit our construction page at [www.hwdsb.on.ca/construction](http://www.hwdsb.on.ca/construction).

If you have any questions or concerns, please do not hesitate to contact my office at 905-527-5092 ext. 2626.

Sincerely,

Jane Macpherson  
Superintendent of Student Achievement
