Ancaster High – HVAC Ventilation Audit

This letter is to confirm that Smith and Long Mechanical Ltd has performed an audit of the central HVAC ventilation system. The central ventilation system is operating as intended and any found deficiencies have been rectified. The only remaining outstanding work is based on parts/ unit availability and will be completed as soon as they arrive.

If there are any **MAJOR** deficiencies that are still negatively impacting operation of the school's central HVAC ventilation system, they will be listed below with an expected completion date.

- Universal Fan & Blower Exhauster Science Lab- Replace Fan Wheel
 - Waiting on parts

If you require any further information, please do not hesitate to reach out.

Sincerely,

Matthew Davis
