September 11<sup>th</sup>, 2020

Dear Mr. Sokolowski,

VCI CONTROLS has conducted a preliminary check of the HVAC systems at the above-mentioned location. At the time of inspection, and at the completion of the repairs all of the HVAC systems were functioning at manufactures specifications.

Return visit to be completed in the next couple of weeks to investigate the cooling operation of the engineered air units. Unit ventilation air is fully operational

Regards,

Jeffrey Morneau

National Service Manager  
VCI CONTROLS INC.
