SESSION**

**SUBJECT LANDS: R.L. Hyslop Elementary School  
20 Lake Avenue, Stoney Creek**

R.L. Hyslop Elementary School is located at 20 Lake Avenue in Stoney Creek. The School is a 2 storey design that was constructed in 1965. The site is approximately 24,450 sq. ft. in size situated on a 2.17<sup>+/-</sup> acre site with <sup>+/-</sup> 407 ft. of frontage along Lake Avenue. The surrounding land uses are natural environment to the south and residential/commercial uses to the north, east and west.

HWDSB adopted a resolution declaring the R.L. Hyslop Elementary School and lands surplus to the Board's needs and authorized Administration to dispose of the surplus property in accordance with Ontario Regulation 444/98. Under the Board's Property Disposition Policy 3.12 and as a professional courtesy to the public, HWDSB's administration staff will be holding a Public Information Session to inform the local community and interested parties of the requirements and procedures the Board must adhere to when disposing of surplus property. Members of HWDSB Staff and a Planning Consultant will be available to speak about this property as well as Glen Echo, Green Acres, Nora Frances Henderson (vacant parcel) and Elizabeth Bagshaw.

**Why Sell the land?**

While the Ministry of Education provides funding for the construction of new schools, there is still a substantial contribution required by the Board. The selling of surplus property is one of the Board's means to generate revenue in support of funding their ongoing capital projects.
