

## Celebrating Student Excellence beyond HWDSB

Hamilton-Wentworth District School Board (HWDSB) is committed to celebrating the excellence of one of its students. Through the Profiling Excellence program, students can receive HWDSB recognition for their recognition for their outstanding achievements.

### Who is eligible?

Individual students who have received recognition from external agencies can be recognized through the Profiling Excellence program.

### How is this achievement celebrated?

Recipients' work will be celebrated in the following ways:

- Board Meeting recognition
- Written acknowledgement from Director, Superintendent, Board Chair (letter) with copies to associated principal, employee association, applicable school council
- Certificate

### When do I apply?

If you know of a student who has been externally recognized for making a positive contribution, let's celebrate their achievement by nominating them for Profiling Excellence recognition.

As an ongoing recognition program, applications are accepted throughout the year, from August to May. Send applications to Send applications to Meshel Baines ([mbaines@hwdsb.on.ca](mailto:mbaines@hwdsb.on.ca)).
