At SAGE QUEST (SQ), students create and experience a unique and innovative specialized learning program. As a system program, SQ is best suited to students who demonstrate and embrace the following qualities and characteristics:

- Motivated, self-directed learners, capable of working independently, monitoring their progress, and completing work in a timely manner.
- Willing to collaborate with others, academically and socially, and committed to building respectful, authentic classroom relationships.
- Participate positively and cooperatively in all curriculum areas, including visual arts, drama, music, physical education, outdoor education, and science.
- Eager to engage in critical thinking and community action on environmental, global, and local community issues
- Believe in and support the program by attending regularly and punctually, and striving for academic success.

The SQ program is for grades 6,7, 8 students in the Hamilton-Wentworth District School Board (HWDSB), open to all students who demonstrate strong initiative, interest in global issues, curiosity when asking questions, and enjoy collaborating with others. Students at SQ come from across the city and represent a variety of learners. Like all HWDSB schools, SQ teaches the Ontario Elementary curriculum.

If you are interested in having your child participate in the SAGE QUEST program, please submit this form along with the 2021-22 Term 1 Report Card to Ryerson Middle School by Friday, March 11th, 2022 at ryerson@hwdsb.on.ca

Applications *without a report card attached will not be considered (*unless the student is homeschooled)*. Families will be contacted by April 1, 2022 regarding offers of admission and next steps. Applications received by March 11th, 2022 (by 4:00 p.m.) will be eligible for the lottery selection process.
