

SCHOOL BULLETIN

Families know that with HWDSB's Parent Portal they can connect to a child or youth's school online, anytime, anywhere to:

- View grades and attendance (secondary)
- Complete forms online
- Report an absence
- Pay for school items or events
- Find bus information
- And much more!

NEW IN 2021-22!

School Bulletin is a new feature being used by some HWDSB schools to share announcements, reminders and other news with families. Unlike the school website, this is a private space for families and students to receive information.

You can find the School Bulletin by logging into the Parent Portal and looking for School Bulletin in the left-side column.

School Bulletin can include daily updates posted by your school, as well as the ability to see past updates by selecting a date.

See **How to View your Child's School Bulletins** in a video at <https://youtu.be/D7FjvYjRoU>
If you have questions, please speak with your principal.
