

# Information for Parents/Guardians of Children Requiring Specialized Services

In February, Hamilton-Wentworth District School Board (HWDSB) begins planning to welcome your child to school the following September.

HWDSB will work closely with your child's service providers including community agencies, early learning, and childcare partners to share information and organize the services and/or equipment your child may need to attend school.

## Steps we recommend:

1. Complete the **Tell Us About Your Child** form found [online](#) or in this package.
2. Learn about the **Transition to School process** for students requiring specialized services on our Kindergarten website ([www.hwdsb.on.ca/kindergarten](http://www.hwdsb.on.ca/kindergarten))
3. Attend our **Transition to School Information Night** in January.
