PURPOSE:

Hamilton-Wentworth District School Board (HWDSB) is committed to providing and maintaining a safe and healthy workplace in accordance with the Occupational Health and Safety Act.

GUIDING PRINCIPLES:

- Promote and encourage a safe and healthy workplace, in accordance with industry standards and in compliance with legislative requirements.
- Endeavour to eliminate any foreseeable hazards to workers.
- Commit to occupational health and safety being an integral part of the Board's operations.

INTENDED OUTCOMES:

- Establish incident reduction goals.
- Implement strategies to reduce workplace injuries.
- Support the Internal Responsibility System by completing workplace inspections and eliminating hazards.
- Ensuring contractors work safely in our workplace.

RESPONSIBILITY:

Director of Education
Supervisors
Central Joint Health and Safety Committee
All Workers

TERMINOLOGY:

Central Joint Health and Safety Committee: A single Joint Health and Safety Committee established to cover multiple workplaces where the committees' structure has received approval by order of the Minister of Labour.

Internal Responsibility System: A system, within an organization, where everyone has direct responsibility for health and safety as an essential part of their job. It does not matter who or where the person is in the organization, they achieve health and safety in a way that suits the kind of work they do. Each person takes initiative on health and safety issues and works to solve problems and make improvements on an on-going basis.

Supervisor: The person who has charge of a workplace or authority over a worker. This includes a principal, vice-principal or teacher appointed by HWDSB to direct and supervise a school or organizational unit of a school.

Worker: Any of the following:

- A person who performs work or supplies services for monetary compensation.
- A secondary school student who performs work or supplies services for no monetary compensation under a work experience program authorized by the school board that operates in the school in which the student is enrolled.
- A person who performs work or supplies services for no monetary compensation under a program approved by a college of applied arts and technology, university, private career college or other post-secondary institution.
- Such other persons as may be prescribed (by the Occupational Health and Safety Act) who perform work or supply services to an employer for no monetary compensation.

Workplace: Any land, premises, location, or thing at, upon, in or near which a worker works.

Examples include, but are not limited to:

- Schools, Board offices, properties, and facilities, as well as vehicles used in the course of completing work and traveling between work sites.
- School-related activities such as extracurricular activities, co-instructional activities, and excursions.
- Conferences, training sessions, workshops and other work-related events or functions.

ACTION REQUIRED:

Every worker protects their own health and safety by working in compliance with the law and with safe work practices and procedures established by the employer. Workers will receive, as appropriate, information, instruction, training, and competent supervision in their specific work tasks to protect their health and safety.

The Central Joint Health and Safety Committee assists in identifying situations that may be a source of danger or hazard to workers and make recommendations to the Board on matters of occupational health and safety.
