### History

Accommodation review completed February 2012. Prince Philip closed in June 2014. Cootes Paradise addition and facility upgrades related to accommodation review completed September 2014. Dalewood facility upgrades related to accommodation review completed in 2016.

### Current Observations

Glenwood is a special day school for exceptional students and due to its unique use is not included in the enrolment vs capacity chart.

Cootes Paradise and Dalewood enrolments are projected to decline over the next 10 years. The planning area neighbourhoods are established and there is no significant residential development. Some residential homes in the area have been repurposed as student housing for post secondary students.

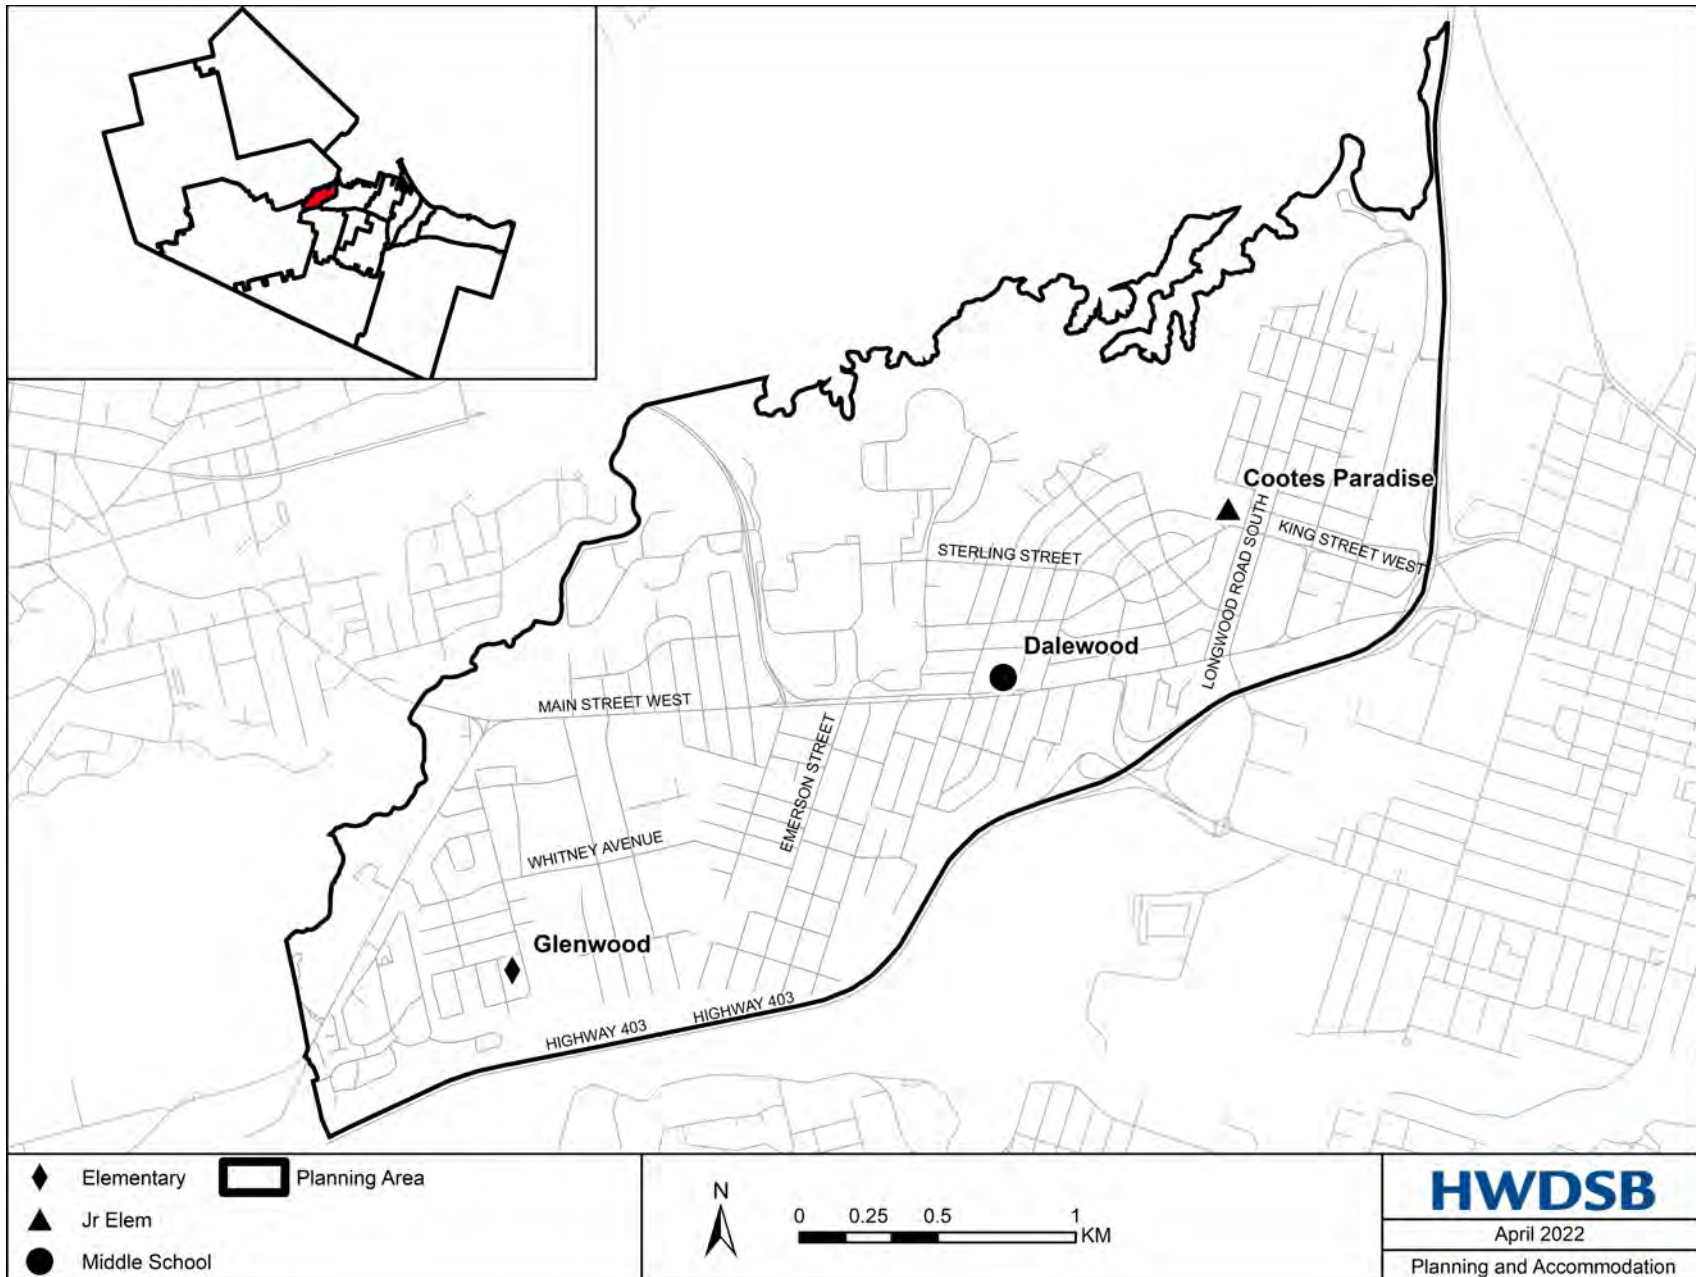

Kindergarten enrolment has declined since 2016 which has impacted long term projections.

### Next Steps

Continue to monitor enrolment and accommodation.

### History

FI program at Mary Hopkins implemented in 2017 with grades 1 and 2. Program has expanded to include grades 1-5 and as of Sept 2022, FI grade 6 students attend Flamborough Centre. The purpose of the program change was to alleviate enrolment pressure at Guy Brown which accommodated the only FI program in Flamborough.

### Current Observations

Over the next ten years Allan A. Greenleaf, Mary Hopkins and Flamborough Centre will experience an increase in enrolment due to continued residential development within the village of Waterdown. To accommodate the new growth a school site on Skinner Road in south Waterdown was purchased in 2021.

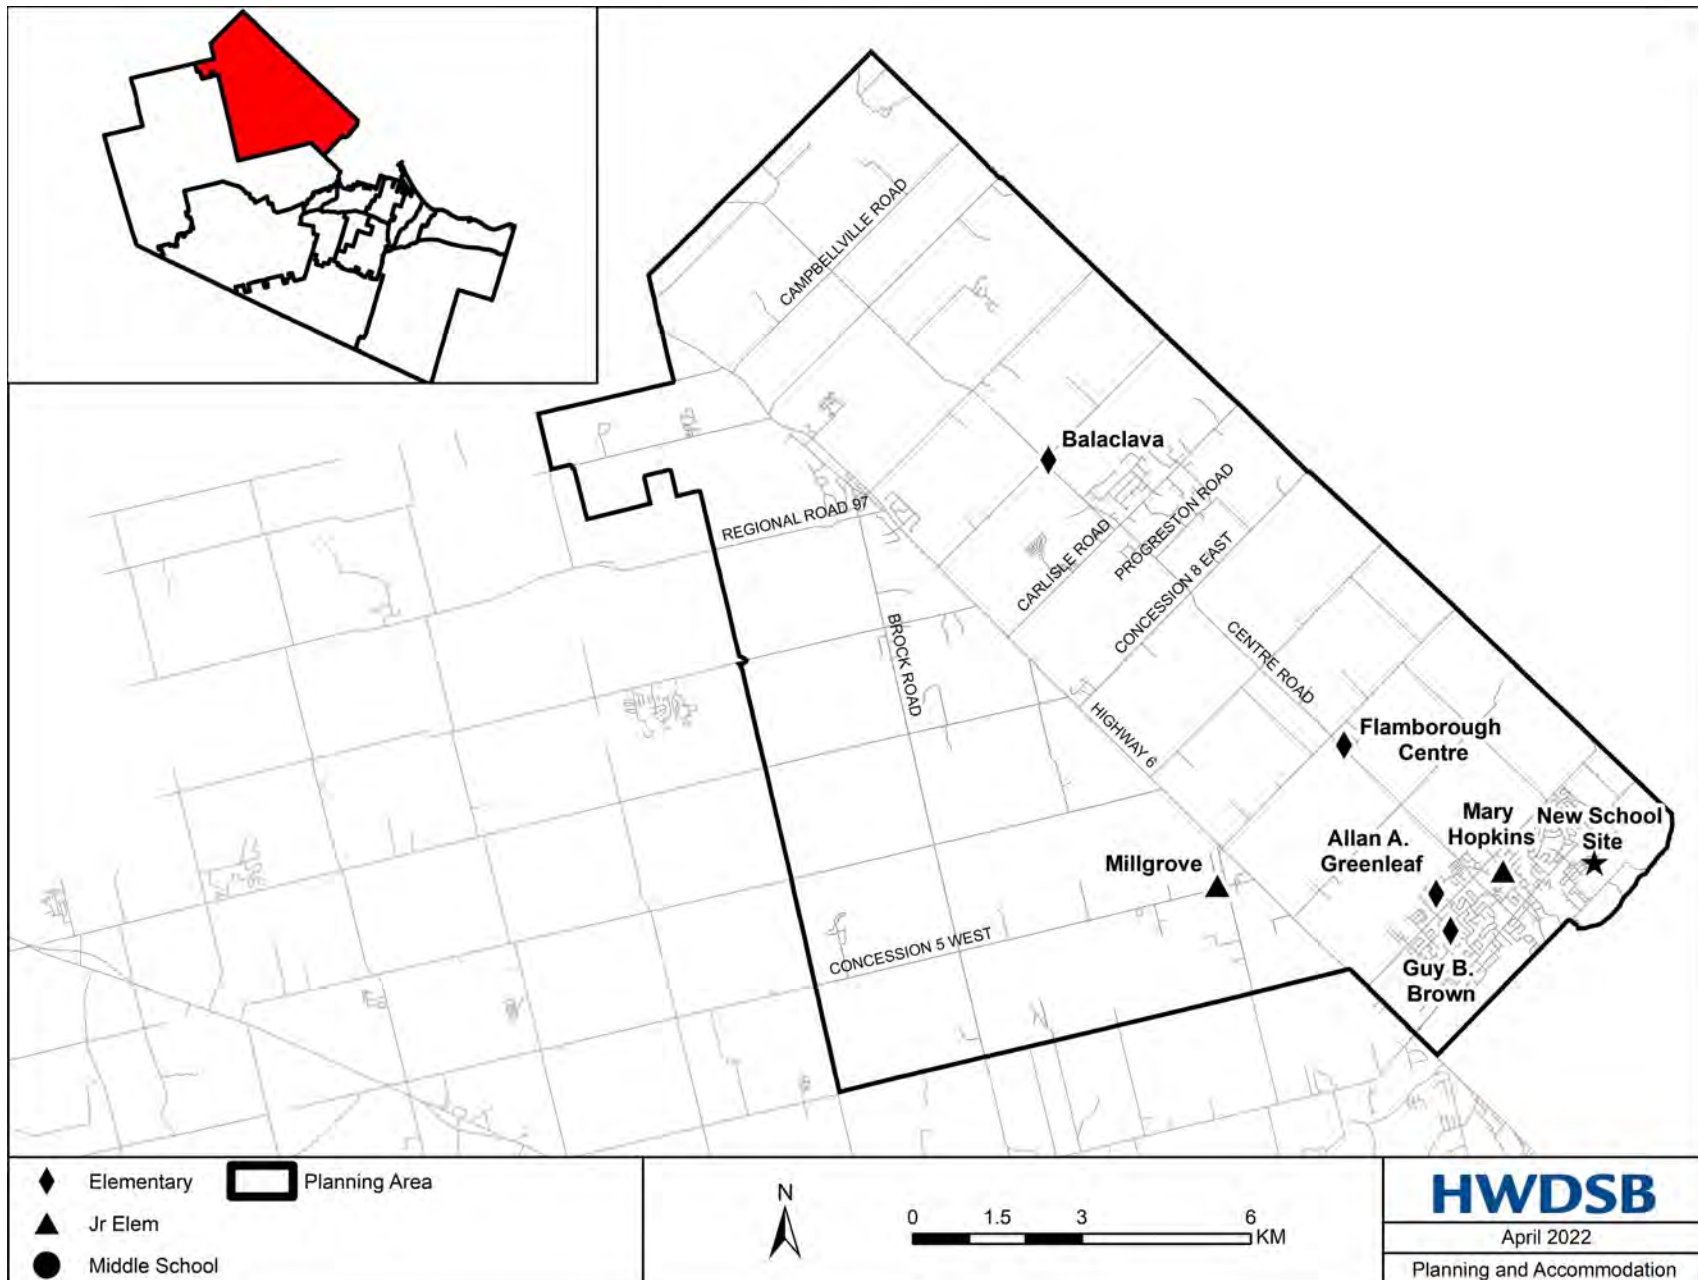

A capital priority request to Ministry of Education was submitted in February 2022 for a new 550 pupil place school to be constructed on the Skinner Road site. Funding was not provided by the MOE. This school will alleviate accommodation pressure within the PA.

### Enrolment Vs. Capacity

### Next Steps

Resubmit business case to MOE and monitor response. Boundary Review including Mary Hopkins and Flamborough Centre recommended. The short-term goal is to alleviate increasing accommodation pressure at Mary Hopkins due to residential development and utilize existing space at Flamborough Centre. Upon receipt of funding, a boundary review including AA Greenleaf will be undertaken to create a boundary for the New Elementary School.

Renovations and additions completed at Franklin Road, G.L. Armstrong, Pauline Johnson, Queensdale and Ridgemount to accommodate consolidated schools completed. Franklin Road childcare centre addition completed.

### Current Observations

Over the next ten years planning area 03 enrolment is expected to remain stable. The current overall utilization is 103% with 5 of the 6 schools exceeding 100% utilization. GL Armstrong currently has 158 excess pupil places.

Future residential development in the planning area is primarily located south of the Linc within Ridgemount's boundary. Ridgemount's enrolment is expected to increase over the next ten years due to development.

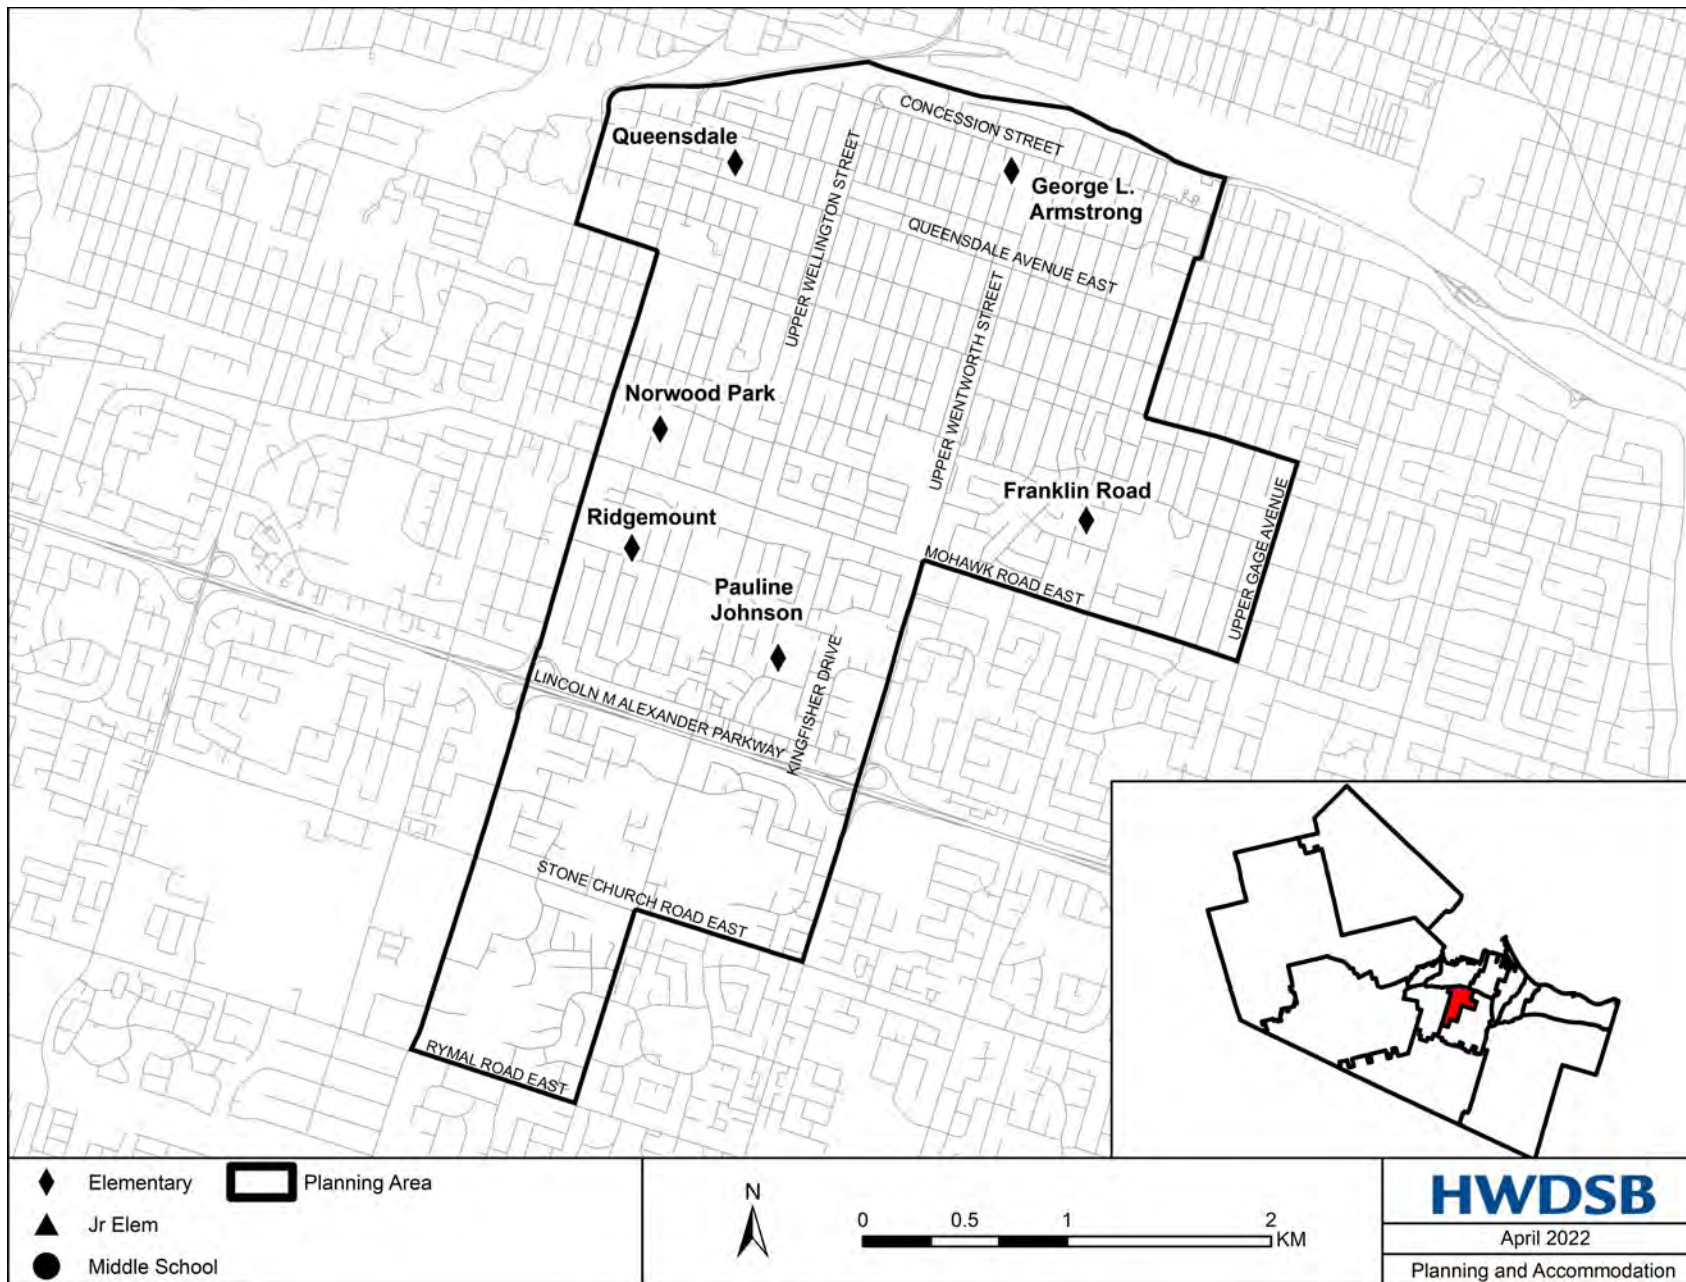

### Enrolment Vs. Capacity

2021 enrolment as of October 31, 2021.

Monitor enrolment growth at Ridgemount as residential development begins to yield students. Future LTFMP may recommend a boundary review to balance enrolments between schools within the planning area. Monitor enrolment of French Immersion program at Norwood Park through French Immersion application process.

The enrolments between the schools are imbalanced with a large range of utilizations from 63% to 135%. Parkdale and Rosedale will continue to rely on temporary accommodation to accommodate enrolment as the smallest schools in the planning area.

Residential development in PA 04 is limited and enrolment will continue to depend on neighbourhood regeneration.

New Bennetto French Immersion program (grade 1-3) introduced in 2018. The program will expand to grades 1-8 in 2023. Purpose of program is to create equity of access to FI and alleviate enrolment pressure at Earl Kitchener and Kanétskare. Bennetto and Dr. Davey new childcare centre retrofits completed in 2020.

Over the next ten years planning area 05 enrolment is expected remain stable. The current overall utilization is 80%. The enrolments between the schools are imbalanced with a large range of utilizations from 66% to 109%. Central and Kanétskare, two of the smaller schools in the planning area, will continue to rely on temporary accommodation to accommodate enrolment. ### History

### Current Observations

Over the next ten years planning area 07 enrolment is expected remain relatively stable. The current overall utilization is 98%. The enrolments between the schools are imbalanced with a large range of utilizations from 58% to 121%. Lawfield and Templemead will continue to rely on temporary accommodation to accommodate enrolment. FI program popularity at Lawfield led to recent enrolment growth. ### Current Observations

Overall utilization of planning area 08 is currently 118% with 3 of the 4 schools over 100% utilization. Eastdale utilization is currently at 139% and enrolment is projected to increase over the next 10 years due to French Immersion programming and a recent influx of kindergarten students.

There is limited residential development in the west portion of the PA. Collegiate, Eastdale and South Meadow neighbourhoods are mature and enrolment will vary based on neighbourhood regeneration, apportionment and FI programming availability.

Winona's enrolment project indicates a slight increase over the next ten years due to new residential development within the Fruitland-Winona area. The Fruitland-Winona secondary plan was approved in 2018 and incorporated in the Hamilton's Official Plan. Ministry funding approval for replacement CH Bray (Spring Valley) and addition at Ancaster Senior (Frank Panabaker) received in November 2017. Addition to Ancaster Senior facility completed Sept 2019. Spring Valley with new childcare construction completed, school opened in September 2020. Queen's Rangers facility closed June 2020.

### Current Observations

Over the next ten years planning area 10 enrolment is expected to slightly decline. The Ancaster planning area is a combination of mature neighbourhoods and newly developed neighbourhoods. Ancaster Meadow and Tiffany Hills are located in Meadowlands which has rapidly developed over the past 10 years. Development in this area is expected to slow in comparison to the previous 10 years since the majority of identified residential land has been built out. There will continue to be some minor growth at Tiffany Hills as the residential development is completed.

Viola Desmond Elementary school opened in September 2021 allowing for the closure of Glen Brae, Glen Echo, Sir Isaac Brock and Elizabeth Bagshaw schools which all closed in June 2021.

### Current Observations

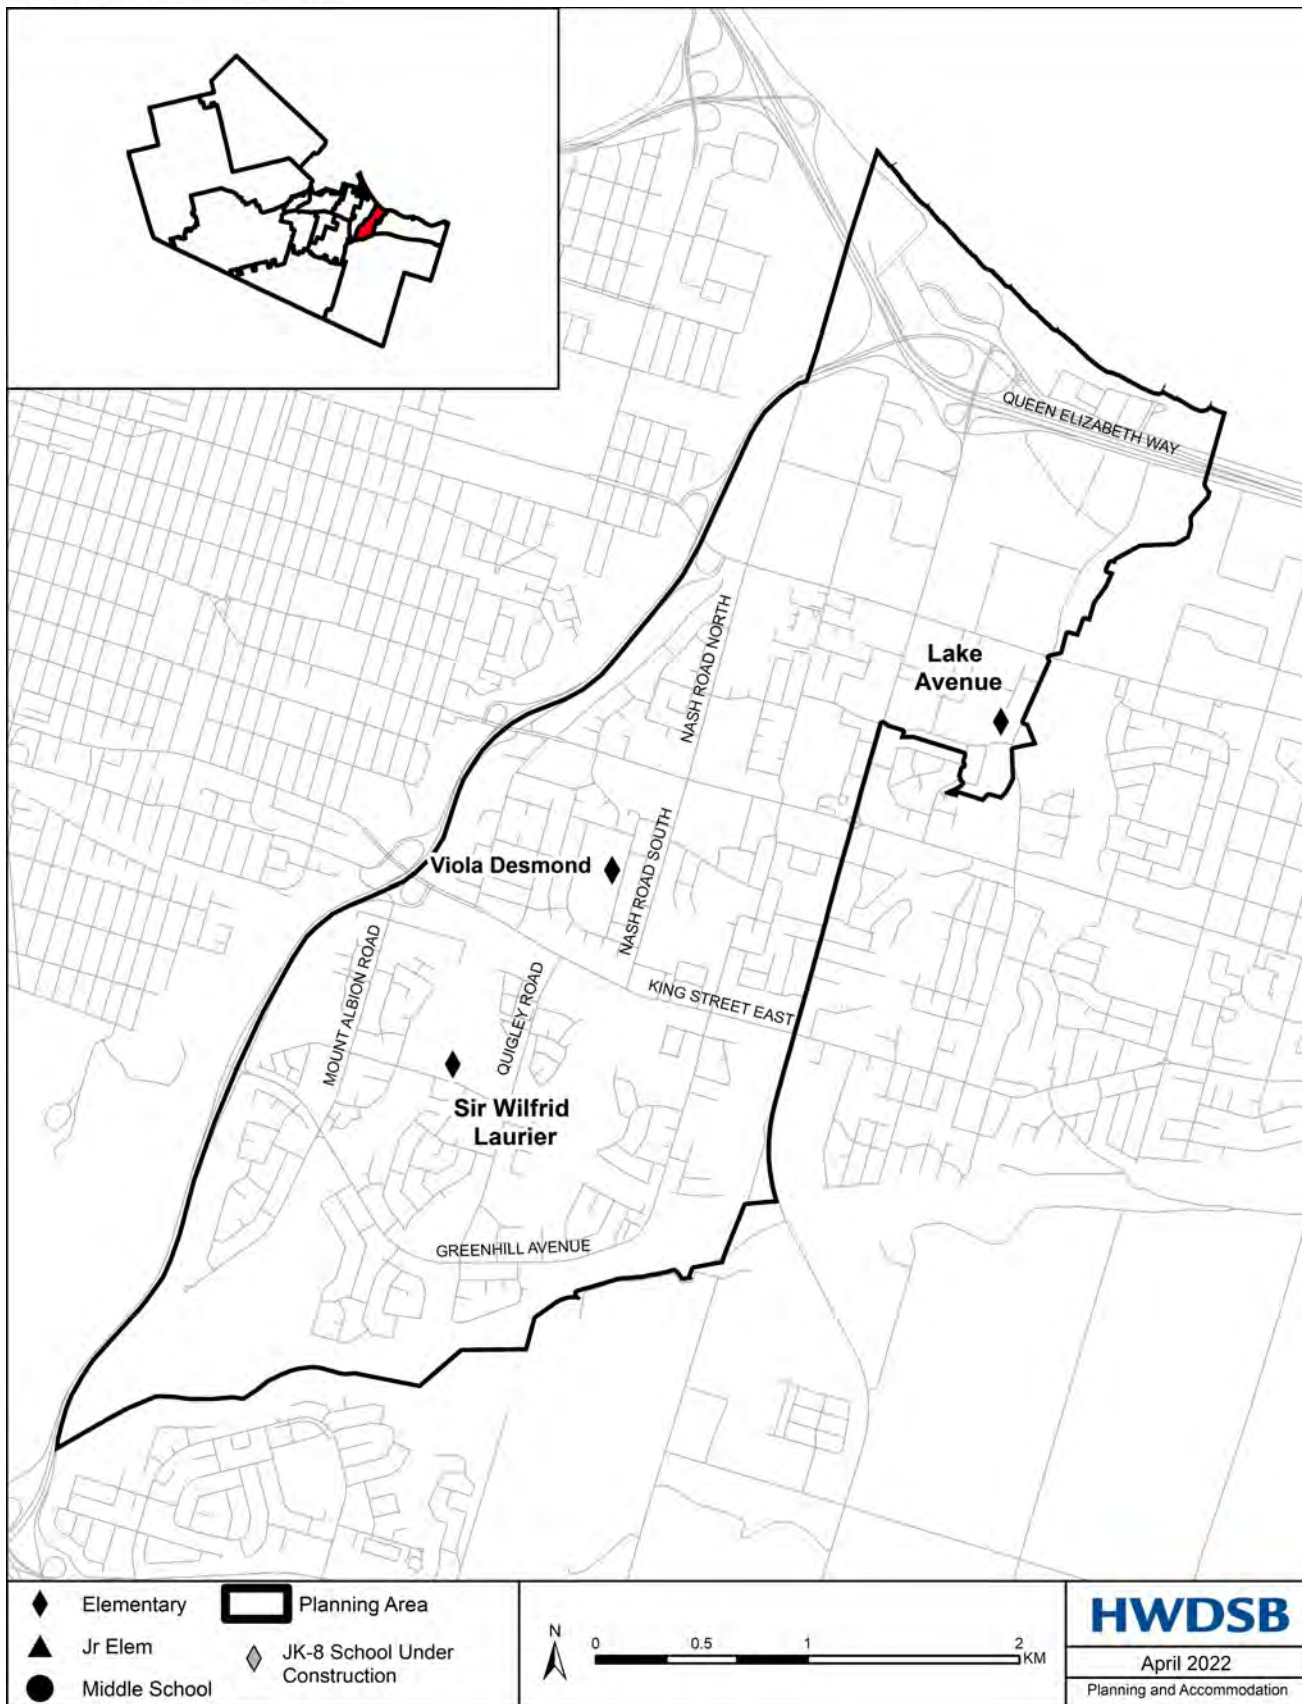

Overall utilization of planning area 11 is currently 110%. The enrolment is projected to remain stable in the planning area over the next 10 years. There is limited residential development and enrolment will rely on neighbourhood regeneration. Lake Ave will continue to rely on temporary accommodation until enrolment declines. ### History

King George Accommodation Review completed in February 2012 which included Memorial and Prince of Wales.

There has been limited accommodation change on this PA over the past 10 years. AM Cunningham reliance on portables can be contributed to FI programming.

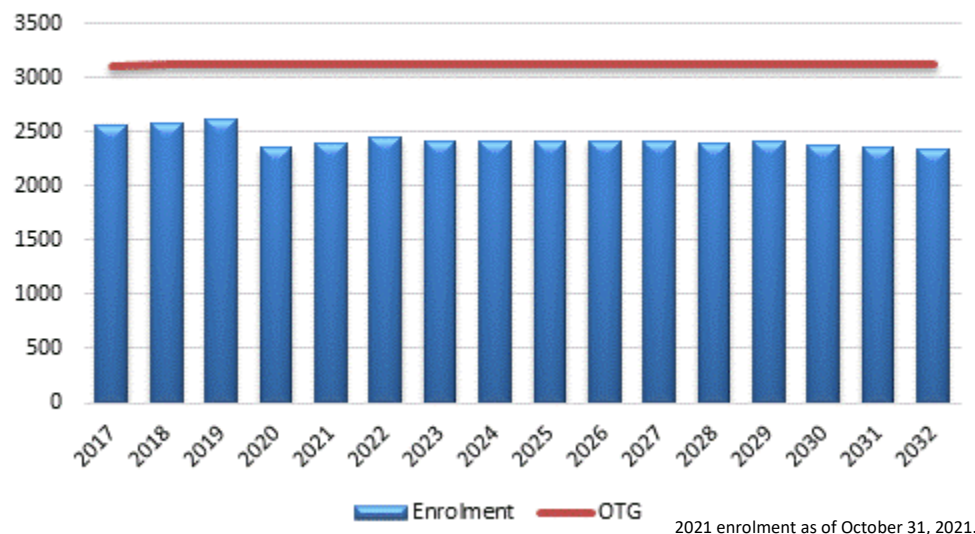

In 2020, Grade 5 FI students from AM Cunningham were redirected from Glen Brae to WH Ballard for grades 6, 7 and 8 as a result of the FI program review in East Hamilton.

### Current Observations

Over the next ten years planning area 12 enrolment is expected to remain steady. The current utilization is 78% but enrolments between the schools are imbalanced with a large range of utilizations from 56% to 114%. AM Cunningham will continue to rely on temporary accommodation.

Residential development in PA 12 is limited and enrolment will continue to depend on neighbourhood regeneration to drive enrolment. Through early learning centres, childcare, FI programming and special education, schools in this planning area are used more efficiently than the utilization indicates.

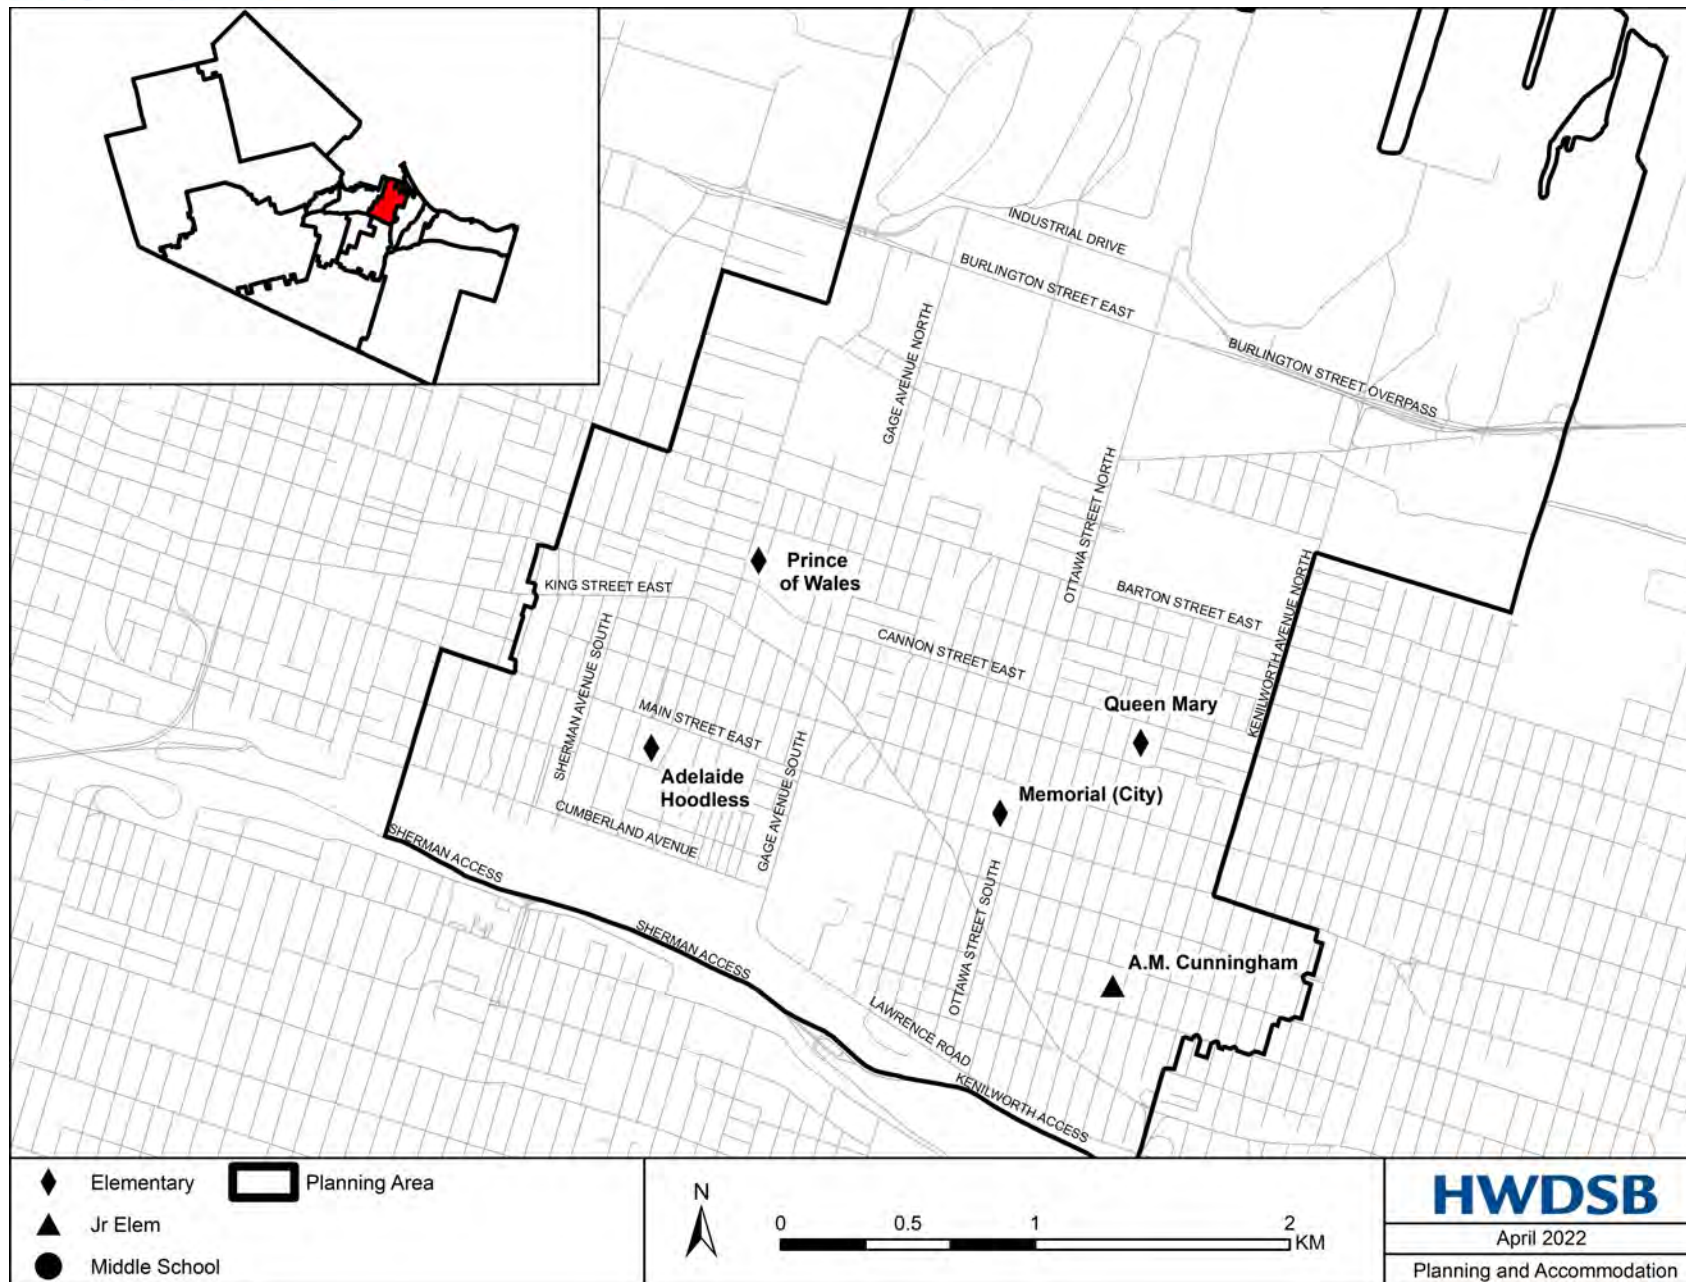

### Enrolment Vs. Capacity

### **Current Observations**

Projections indicate an increasing enrolment due to residential development in the planning area.

East Glanbrook — Residential development in Binbrook has been extensive over the past 10 years but has started to slow. There are remaining lands approved for residential development but development has yet to be formally approved by City. New students residing south of Binbrook Rd are now being redirected to Shannen Koostachin to ease enrolment pressure at Bellmoore. Bellmoore currently has a 10 room portapak and 6 portables on site.

Funding for a second K-8 elementary school in Binbrook has been provided by MOE. Once the identified school site in south west Binbrook is serviced and available for purchase from developer, HWDSB will purchase with EDC funds and initiate construction of a new school. The new school will provide enrolment relief to Bellmoore and Shannen Koostachin.

Upper Stoney Creek—residential development along Rymal Road, Upper Centennial, south of Mud Street and Green Mountain Rd West continues to drive enrolments at Shannen Koostachin, Janet Lee, Mount Albion and Tapleystown. The approved new School in Upper Stoney Creek will replace Tapleystown facility and provide enrolment pressure relief for this area.

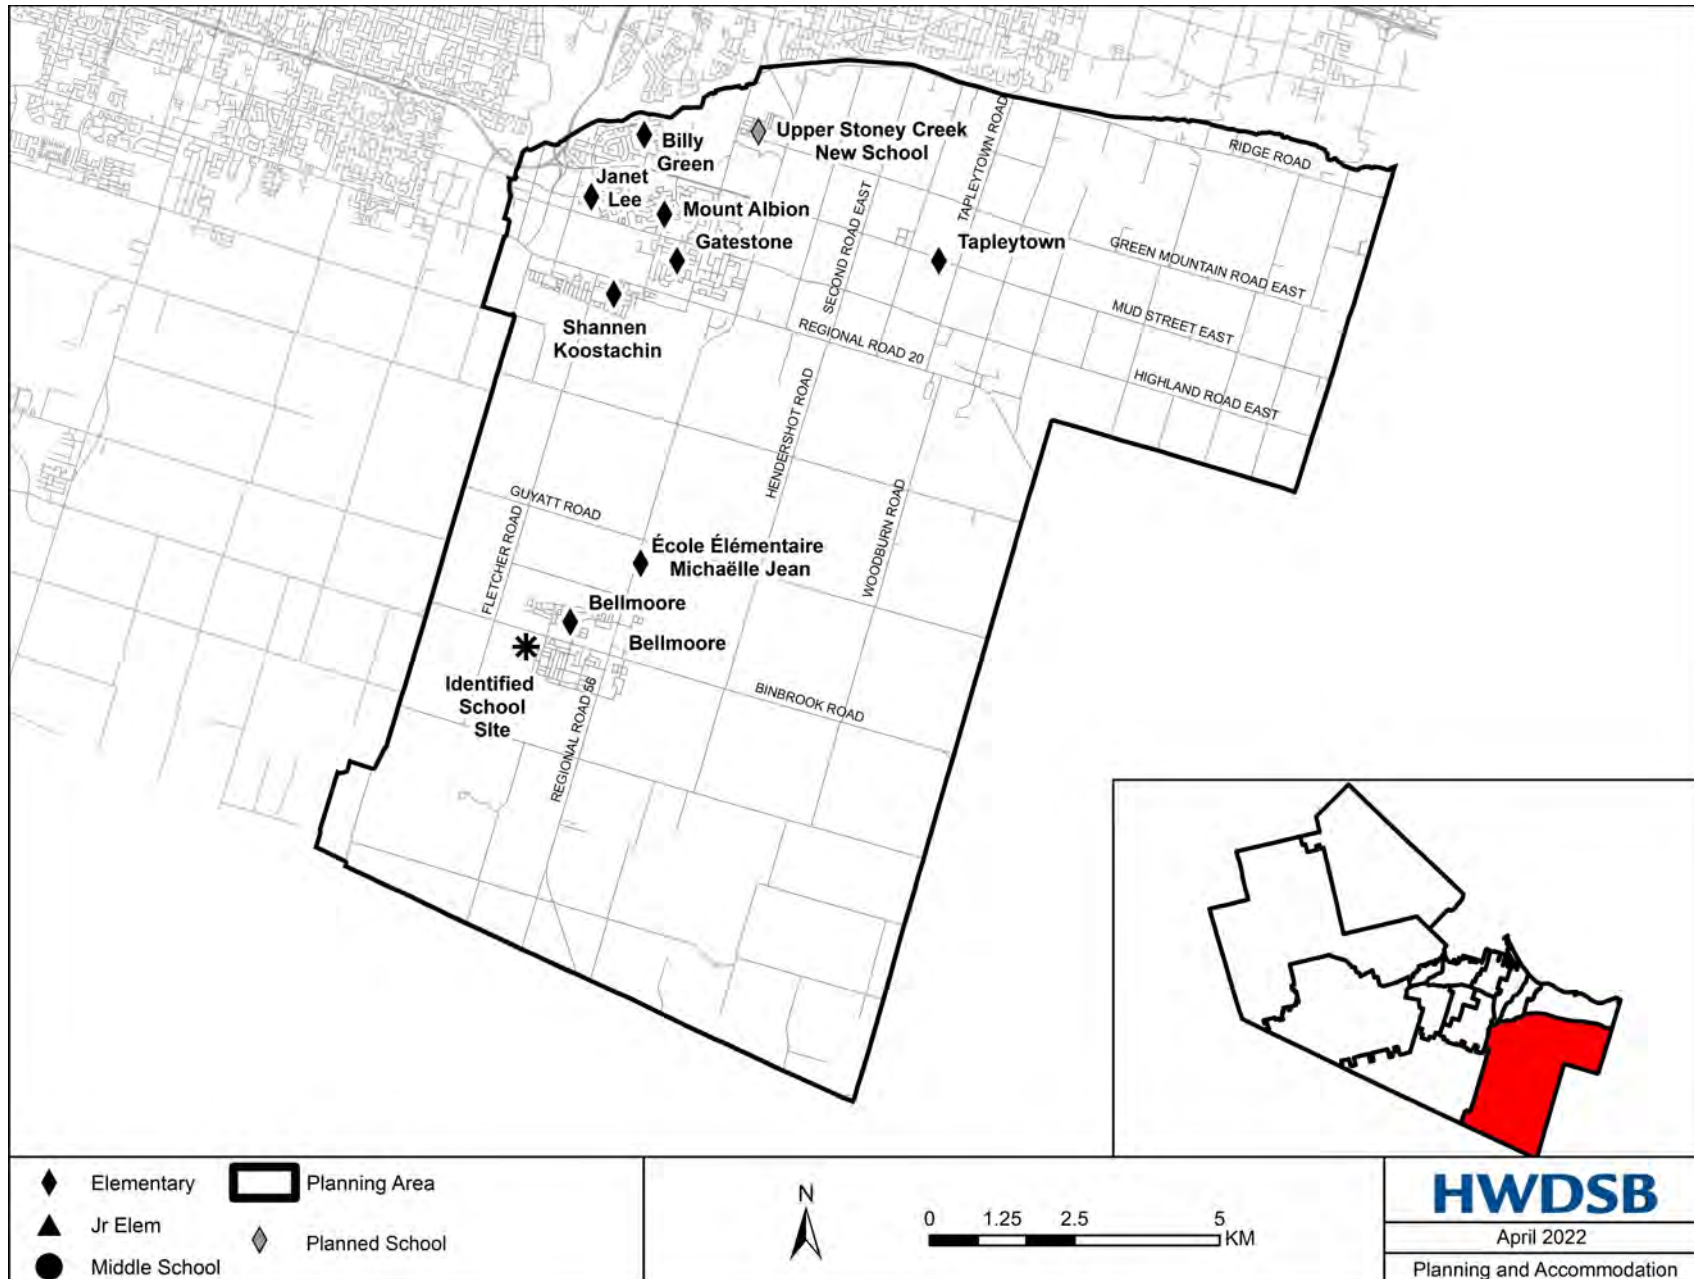

### **Next Steps**

Land purchase in Binbrook for future elementary school when available.

Review and monitor FI enrolment at Michaelle Jean through grade 1 FI application process. Future LTFMP may include recommendation for FI programming review in planning area 14 once all new schools are constructed.

Continue design and construction of new school in Upper Stoney Creek—completion anticipated 2025.

Recommended boundary review in Fall 2023 including Shannen Koostachin and Gatestone. The short-term goal is to alleviate increasing accommodation pressure at Shannen Koostachin due to residential development and utilize existing space at Gatestone while the long-term goal is to have each school operating within the optimal utilization range of 90%-115% to ensure equitable access to schools/programming.

### History

North secondary accommodation review completed in 2012. Approved closure of Delta, Sir John A. Macdonald and Parkview secondary schools.

Parkview closed in June 2014. Sir John A. Macdonald and Delta closed June 2019.

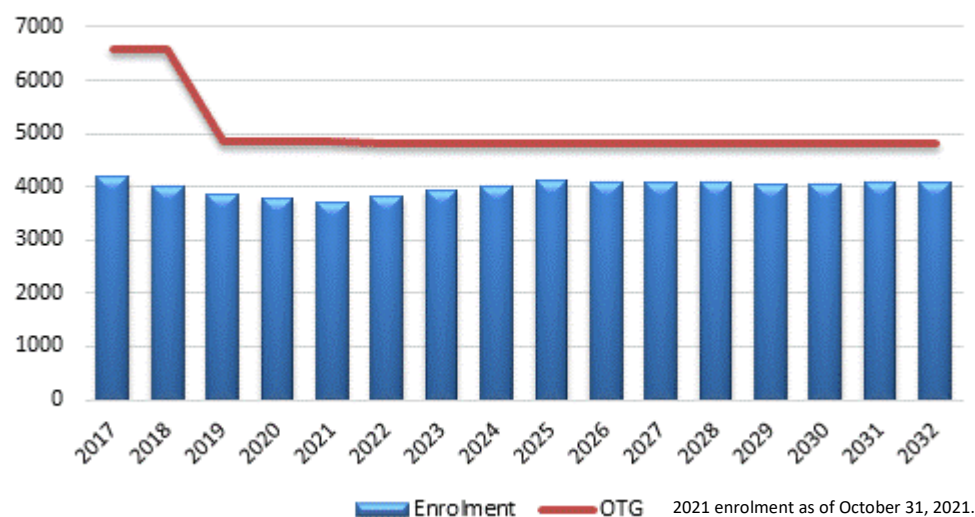

Bernie Custis Secondary School opened in September 2019.

### Current Observations

Over the next ten years the North Secondary PA enrolment is expected to slightly increase and remain steady. The current utilization is 79% but enrolments between the schools are imbalanced with a large range of utilizations from 66% to 96%.

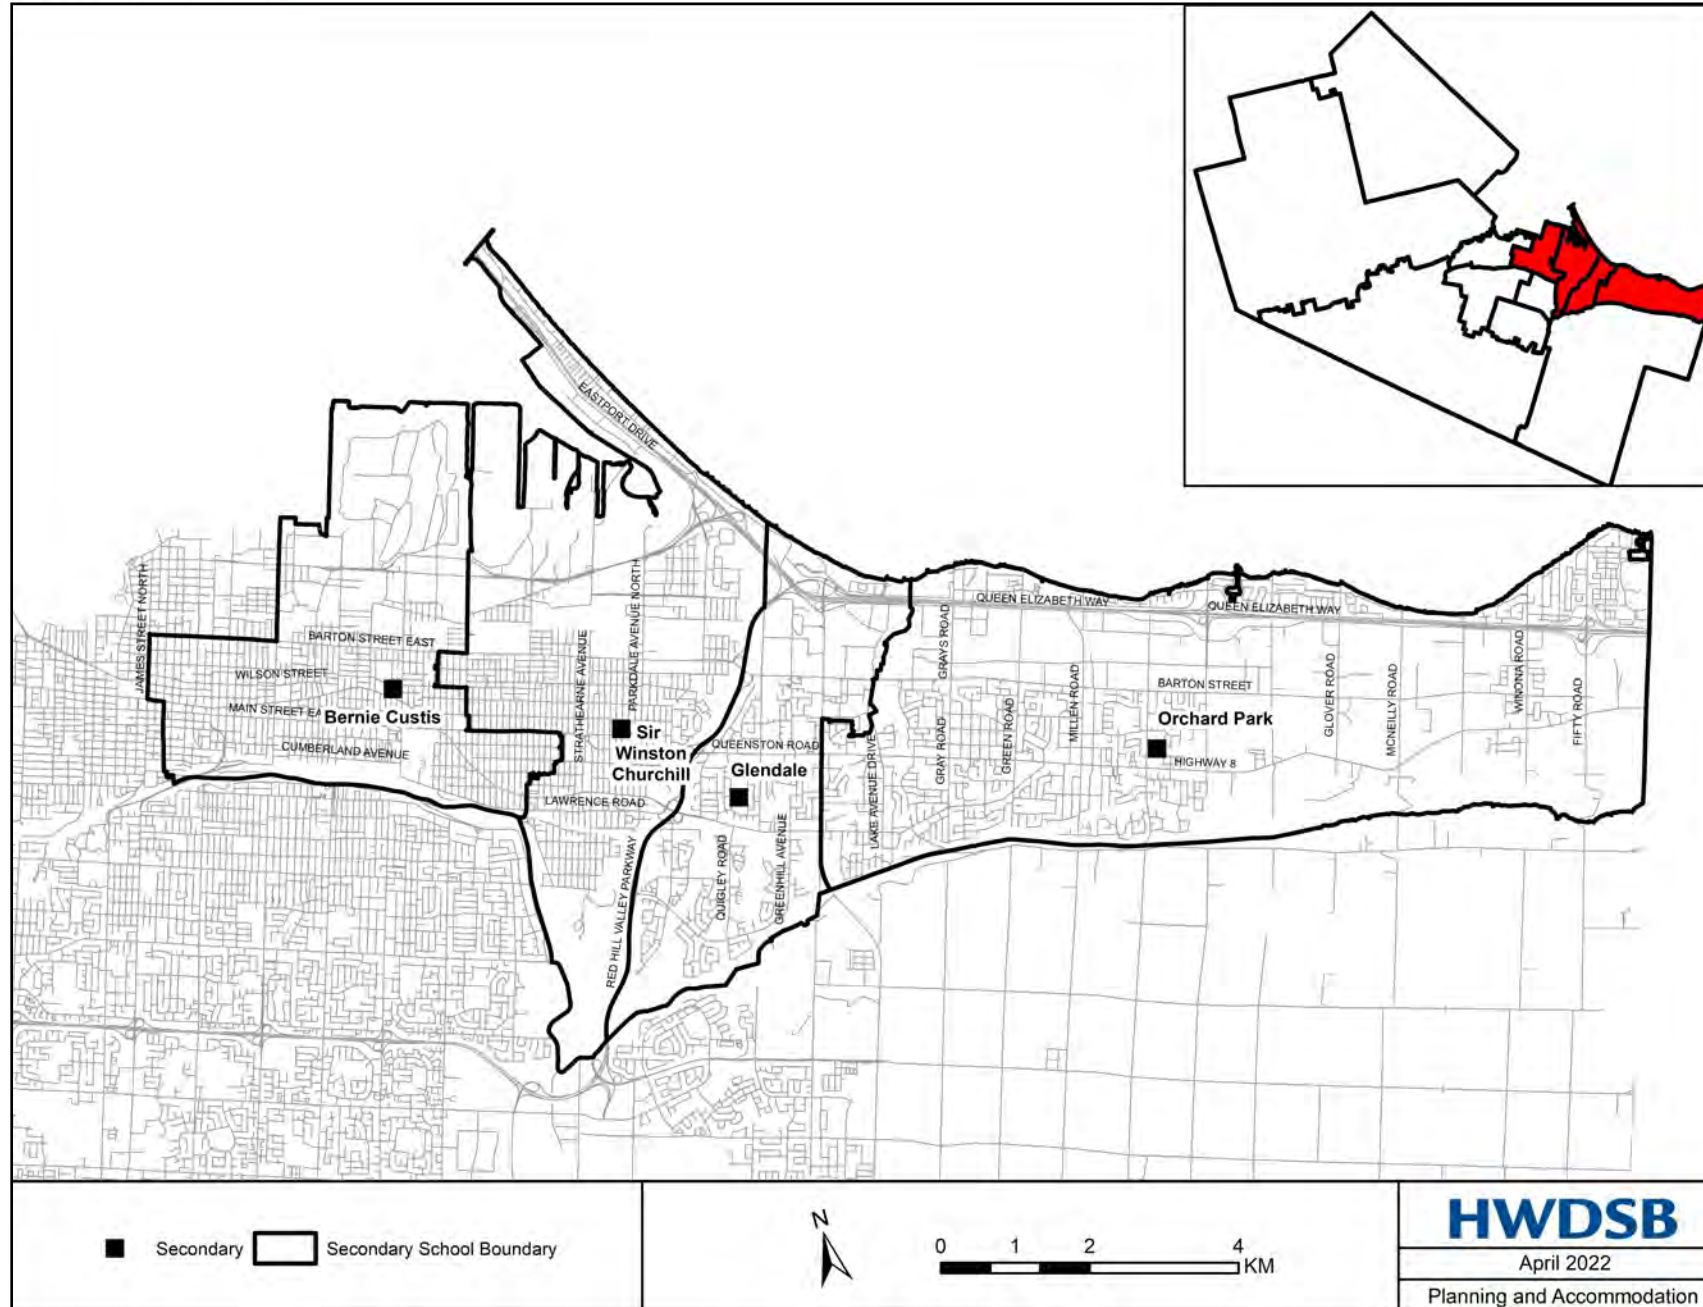

Residential development in the North Secondary PA is limited and enrolment will continue to depend on neighbourhood regeneration and grade 8 retention.

### Enrolment Vs. Capacity

### Next Steps

Continue to monitor enrolment and accommodation. Continue to pursue facility partnerships.

### History

South secondary school accommodation review completed in 2012. Approved closure of Barton, Hill Park and Mountain Secondary schools. French Immersion program implemented at Sherwood in 2014. Barton used as temporary holding facility during the construction of Nora Frances Henderson. Hill Park closed June 2015, converted into Board Learning Centre. Mountain Secondary closed in June 2017.

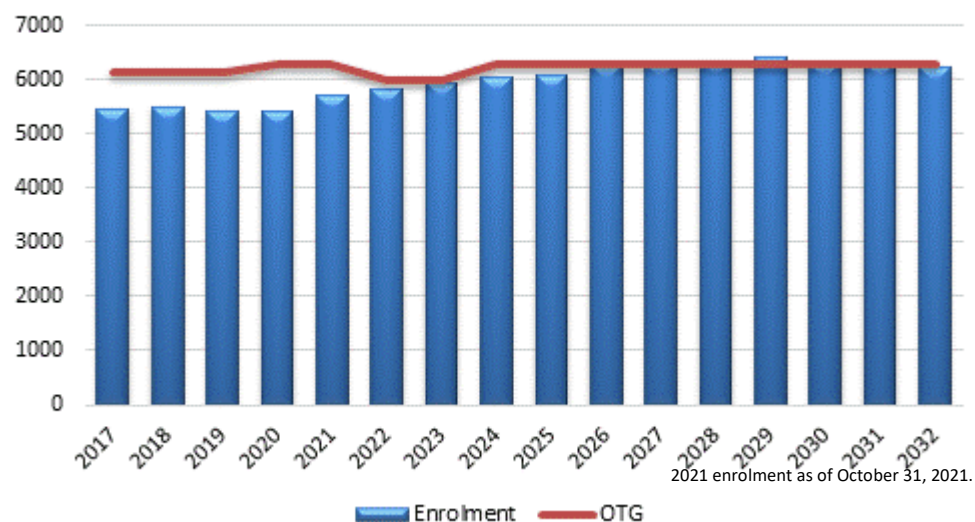

Completed boundary review in Fall 2019 that included Sir Allan MacNab, Nora Frances Henderson and Sherwood to review alignment of elementary and secondary boundaries. Nora France Henderson SS opened in 2020.

Barton facility is currently acting as a holding facility for Sherwood students as the Sherwood facility is under renovation.

### Current Observations

Over the next ten years the South Secondary PA enrolment is expected to slightly increase and then remain steady. The current utilization is 97% but enrolments between the schools are imbalanced with a large range of utilizations from 57% to 113%. Projected growth at Saltfleet is based on residential development that is impacting elementary PA 14. Sherwood expected growth is mainly due to the projected increase in FI enrolment at the secondary level. FI has grown in popularity at the elementary level and as larger cohorts graduate this will increase the enrolment at the secondary level. Westmount's self paced program has no formal boundary and enrolment is based on student applications. Sir Allan McNab enrolment is project to remain steady, there is no source of enrolment growth in the west Mountain, many students choose to attend Westmount for its location and programming. Nora Frances Henderson enrolment increased to over 1,300 in 2022. Enrolment increased due to out of catchment students and non HWDSB attending. The facility is closed to OOC for the 2023-24 school year.

### Enrolment Vs. Capacity

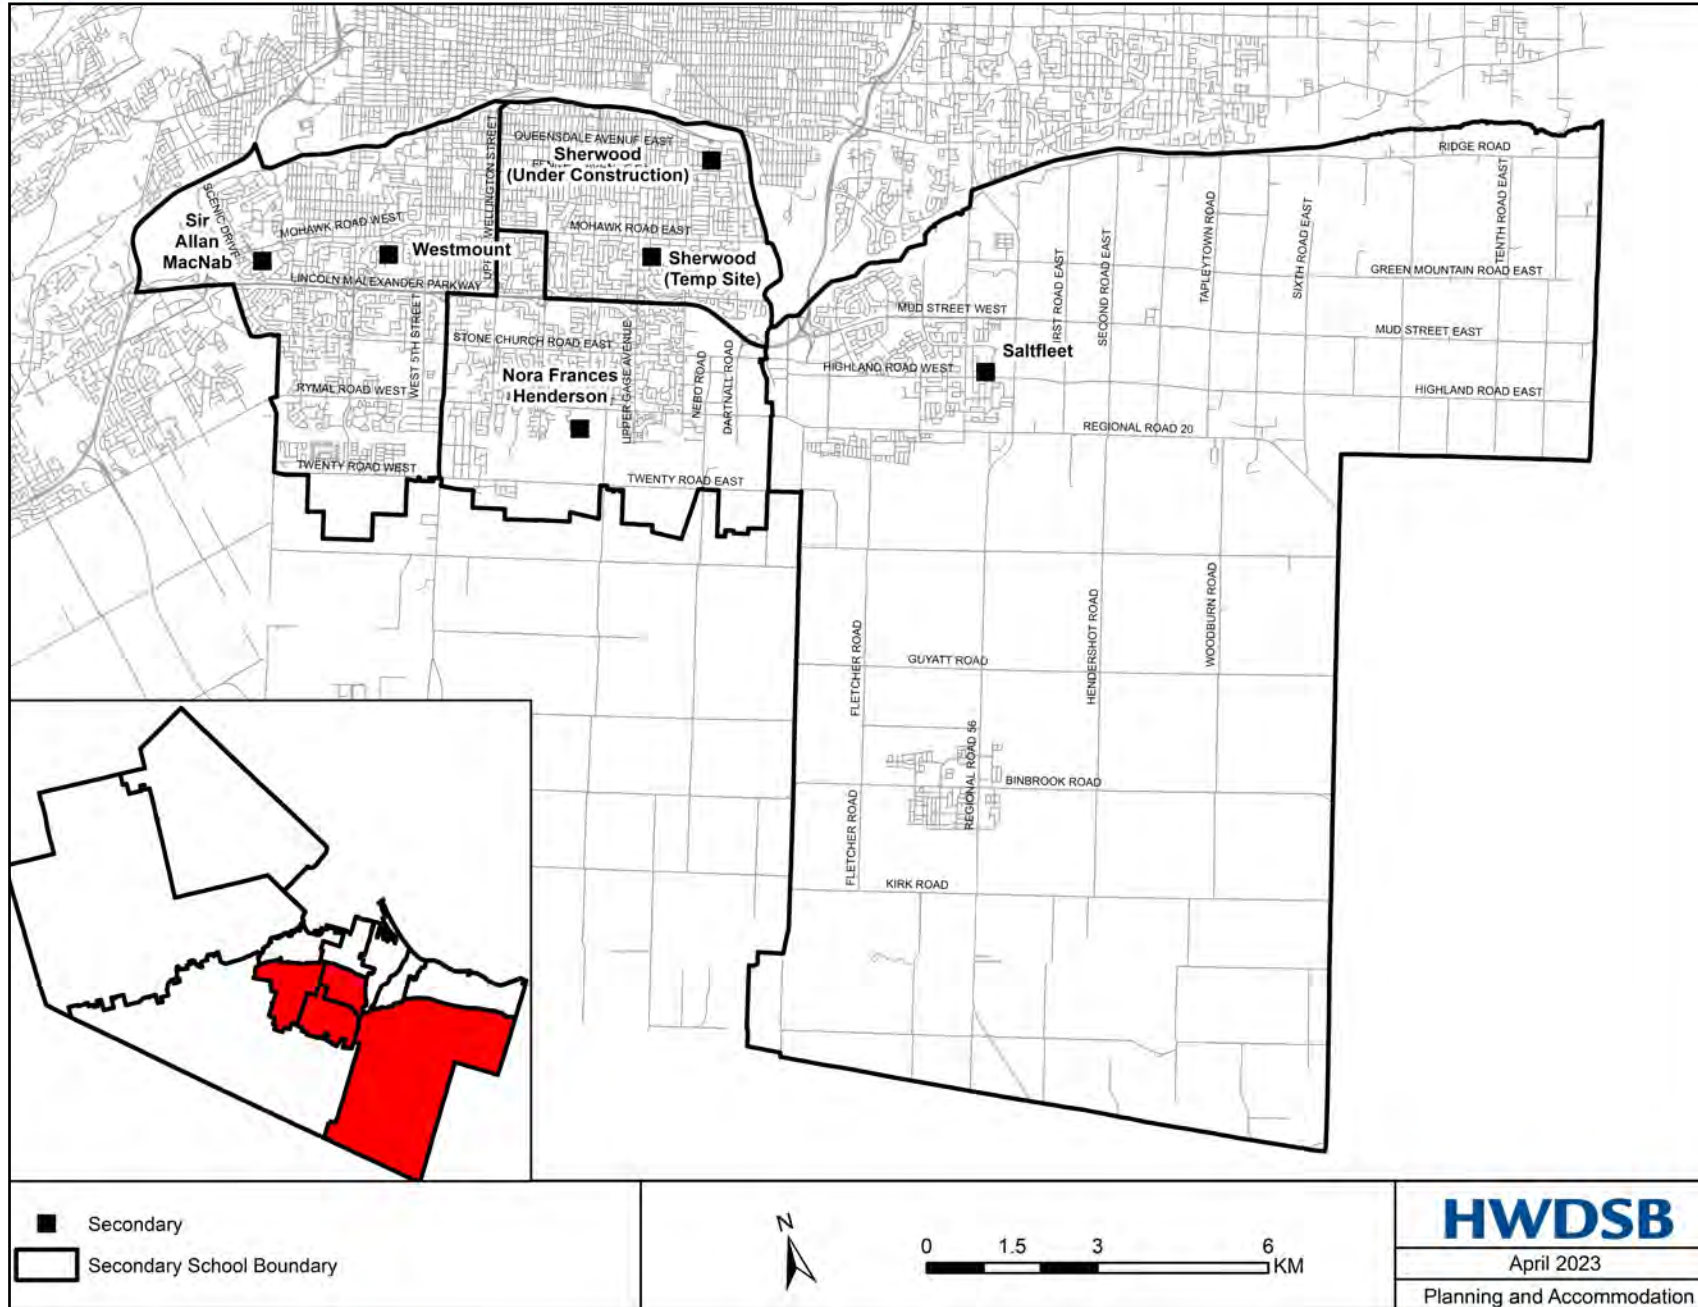

### Next Steps

Continue renovation at Sherwood Secondary School.

Continue to monitor enrolment and accommodation. Continue to pursue and make facilities available for facility partnerships.

### History

Completed West Secondary accommodation review in 2012. Approval to close Highland and Parkside. In the absence of funding for a new school to replace Highland and Parkside the board approved a renovation for Highland Secondary which included an addition and various interior upgrades. Closure of Parkside Secondary School in 2014. Addition/renovation at Dundas Valley Secondary (formerly Highland) completed 2016. Due to the closure of Sir John A. Macdonald in 2019, Westdale incorporated a portion of the boundary.

### Current Observations

Over the next ten years the West Secondary PA enrolment is expected to remain steady. The current utilization is 84% but enrolments between the schools are imbalanced with a large range of utilizations from 67% to 101%. Projected growth at Ancaster is based on residential development that has impacted elementary enrolment growth in Ancaster elementary PA. Waterdown growth is also projected due to residential development in Waterdown. Westdale enrolment is expected to decline slightly but due to French Immersion and other available programs is expected to stay near capacity. Dundas Valley enrolment is expected to slightly decline over the next ten years, there is limited residential growth in Dundas to increase enrolment. Dundas will be reliant of neighbourhood regeneration to maintain enrolment.
