

Accommodation Strategy Schedule

The accommodation strategy schedule recaps completed accommodation strategies from 2011/12 to 2022/23 and outlines the remaining three planning areas yet to be reviewed. These planning areas include East Mountain, West Mountain and Dundas.

The Accommodation Strategy Schedule is broken down by planning areas. Planning areas allow for comprehensive and in-depth analysis of each area of the city. Analysis of accommodation/utilization issues and facility needs are done on a smaller scale to determine the right solution for each planning area. The schedule outlines the following:

- Accommodation Reviews
- Boundary Reviews
- Grade Reorganizations
- Anticipated Land Purchases
- Opening/closing/sale of schools
- Holding Schools

Since 2010, HWDSB has completed 3 secondary and 10 elementary accommodation reviews

Accommodation Reviews

The purpose an accommodation review is to effectively manage capital assets in response to changing demographics and program needs. An aspect of school board capital and accommodation planning is reviewing schools that have a variety of accommodation issues through accommodation reviews. Accommodation reviews are completed with the goals of fostering student achievement, equitable access to schools/programming and school board financial sustainability.

The schedule indicates no accommodation reviews for the 2022/2023 as per Ministry of Education direction. All future accommodation reviews have not been given a date and are identified as remaining. In April 2018, the Ministry of Education (MOE) released the revised Pupil Accommodation Guidelines (PARG). The next steps identified by the MOE to implement the Final Revised PARG was to release additional supporting documentation and templates. The supporting documents include the initial staff report template, the economic impact assessment template, community partner template and e-signature guidance. As indicated by the MOE, while these supports are being developed there will continue to be no new pupil accommodation reviews. Initially, templates were to be released in the fall of 2018 but as of May 2021 have yet to be released.

Accommodation Reviews follow the HWDSB Accommodation Review [Policy](#) and [Procedure](#). The current policy and procedure require updating to reflect the updated Ministry of Education Pupil Accommodation Review Guidelines. Once the templates have been released, HWDSB staff will revise the current policy to adhere to the new guidelines.

Boundary Reviews

The purpose of a boundary review is to amend existing boundaries or create boundaries for new schools. Boundary reviews are often a solution when addressing school accommodation pressures. The primary goals of boundary reviews are to create equitable access to schools/programming and create long-term sustainable accommodation for students.

Boundary Reviews follow the HWDSB Boundary Review [Policy](#) and [Procedure](#).

Boundary reviews for 2023/2024 school year:

Flamborough Centre and Mary Hopkins

Due to residential development south of Dundas Street East, there continues to be accommodation pressure at Mary Hopkins. Via the Boundary Review process (Policy and Procedure), staff are recommending a redirection of students from the development to Flamborough Centre to better balance the enrolments between the two schools until construction of a new school in the Mountainview Heights development is completed. The short-term goal is to balance the accommodation pressures more equitably between Mary Hopkins and Flamborough Centre.

Shannen Koostachin and Gatestone

Due to accommodation pressure at Shannen Koostachin, continued residential development south of Rymal Road and Gatestone's current enrolment; staff are recommending a boundary review to better balance the enrolments between the two schools and reduce reliance on portables. The short-term goal is to alleviate increasing accommodation pressure at Shannen Koostachin due to residential development and utilize existing space at Gatestone while the long-term goal is to have each school operating within the optimal utilization range of 90%-115% to ensure equitable access to schools/programming.
