

(Woodwinds, Brass, Percussion)

Applicants will perform at Glendale Secondary and have a short interview afterwards. Please see the Admission Timeline document for date.

PERFORMANCE:

Applicants will perform the following scale: Concert B flat in one or two octaves at a steady tempo
[Drummers will perform the drum assessment found on our website or below]

Applicants will choose a piece of music that demonstrates their playing ability – range, going over the break, rhythmic dexterity, technique, etcetera. It should be a solo or melody part and not just a part from a band piece. Ask your music teacher or email pborsc@hwdsb.on.ca for song suggestions, if needed.

INTERVIEW:

There will be a short interview after the performance where the applicant will be asked about how they prepared for the performance, why they are interested in the program, what they hope to learn while in the program and then will be given the opportunity to ask questions of the panel.
