## GRADE 7 & 8

## INFORMATION NIGHTS

### Self-Paced/Self-Directed Programming (Westmount) - Information Session

**Thursday, November 30, 2023**

**6 to 8 p.m. at Westmount Secondary School**

Westmount Secondary School is a system program where learning occurs in a self-directed and self-paced delivery environment. Students have the opportunity to work collaboratively with staff and their peers to develop and demonstrate their learning while enhancing key skillsets in the areas of goal setting, time management and independent work. You are invited to join us to learn more about our unique program.
