on May 29!*

**HWDSB's Parent Involvement Committee is recruiting new members for the 2025-2026 school year!**

The Parent Involvement Committee (PIC) acts as an advisory body to the HWDSB and the Ministry of Education when requested. PIC provides an important link between parents, school councils and the board's Superintendents, Trustees and Director of Education. The committee partners with students, parents, teachers, principals, superintendents, trustees, school boards, government, and the community.

**For full details or to apply to be considered to join PIC for the 2025-2026 school year, scan the QR code or visit:**
