At Globe FC, our mission is to remove barriers to access and provide high-quality soccer experiences for families across Hamilton.

Our Globe FC Academy offers a year-round competitive environment where youth players work closely with trained and qualified coaches to develop their skills and understanding of the game. Academy members also compete in sanctioned indoor and outdoor leagues, festivals, and tournaments, gaining meaningful game experience and confidence along the way.

Thanks to our partnership with the Hamilton-Wentworth District School Board, Globe FC is offering eligible students the opportunity to join for just \$25 per month (regularly \$199). Through this collaboration, HWDSB helps connect us with local families, allowing us to provide greater access to high-quality soccer training and academic support for passionate young athletes across Hamilton.
