SUMMER CAMP DAYS are flexible and can be built around your summer schedule by choosing the specific days or weeks desired. Campers will be accepted based on meeting criteria and space being available at the program location. Summer applications and attendance days are now OPEN!

Camper's needs must be met by a 5:1 staff ratio setting and be independent in the washroom. A.I.M. is unable to support aggressive or 'running away' behaviours in this environment.

APPLY NOW

on line at adultsinmotion.org by clicking on JOIN and filling out an application form. Or contact the program closest to you for pricing and spots available.
